Wyndham Opens 100th Days Inn Hotel in China

Days Inn by Wyndham Shantou Jinping builds on Wyndham's successful growth since reacquiring direct franchising rights for the brand in 2019

SHANGHAI, June 17, 2025 /PRNewswire/ -- Wyndham Hotels & Resorts is celebrating a major milestone in Asia Pacific with the opening of its 100th Days Inn hotel in China: [Days Inn by Wyndham Shantou Jinping](#). The opening not only highlights the brand's robust growth across the country but underscores Wyndham's success since reacquiring direct franchising rights for the brand.

Wyndham's Days Inn brand in China has averaged double-digit net room growth over the last five years, contributing to a 14% increase in Wyndham's overall direct franchising business over the same period. The brand is poised for sustained growth, with its pipeline in China expanding 25% year-over-year through the end of the first quarter. Notably, the Company's direct franchise business growth has generated strong returns, doubling FeePAR since 2018. Wyndham's expansion aligns with China's tourism surge, as the country is projected to become the world's largest travel and tourism market within the next decade.

"Wyndham has a leading footprint in China, and we intend to build on that strong foothold in the years ahead. With Days Inn, we're offering a quality, reliable brand that suits the needs of owners and guests, all powered by the backing of the world's largest hotel franchisor.
