Wyndham and Ovolo Group Partner to Expand Upscale Offerings Across Asia Pacific

Five Ovolo hotels in Australia and Hong Kong to join Wyndham's portfolio later this year

SINGAPORE, July 29, 2025 /PRNewswire/ -- Wyndham Hotels & Resorts and Ovolo Group have announced a strategic partnership that, in the coming months, will see five Ovolo hotels across Australia and Hong Kong join the Wyndham hotel brand. Under the deal—which marries Ovolo's boutique appeal with Wyndham's global reach and best in class infrastructure—Ovolo Group will continue to own and manage the Ovolo brand while exclusively working with Wyndham to unlock additional development opportunities throughout Asia Pacific.

The collaboration between Wyndham and Ovolo, a pioneer of the lifestyle hotel movement in Asia Pacific, comes amid booming consumer demand for experiential travel—[valued by McKinsey as a \\$1 trillion USD opportunity globally](#)—driven largely by younger travelers, including Gen Z.

"This partnership marks a significant milestone for Wyndham, further expanding our upscale presence in the Asia Pacific region by combining Ovolo's strengths in the lifestyle segment with our extensive global network. The future of travel isn't about sameness—it's about spaces with soul, brands with a point of view and experiences that don't blur into the background."

- Joon Aun OOI, President of Wyndham Hotels & Resorts Asia Pacific

"Ovolo isn't just a hotel brand, it's a lifestyle, a creative force that fuses fashion, art, music and entertainment. Since 2010, we've built a bold, culture-led brand that disrupts the cookie-cutter hotel experience. Now through our partnership with Wyndham, we're flipping the script to unlock bold new growth opportunities by franchising a lifestyle brand without diluting its DNA. Wyndham is a global leader in hotel franchising—with the scale, infrastructure, and expertise to help us grow with intention and impact. Just as importantly, Ovolo brings something different—an edge and energy that complements Wyndham's presence in the upscale lifestyle market."

- Shivang Jhunjhnuwala, Chief of Staff, Ovolo Group

As part of the partnership, five existing Ovolo hotels, representing over 450 rooms, located

in Sydney, Brisbane, Canberra, Melbourne, and Hong Kong, are expected to officially become part of Wyndham's global portfolio later this fall. Each will be integrated into Wyndham's world-class sales, marketing and distribution platforms, extending their reach while creating new commercial opportunities.

The five Ovolo hotels will also participate in the Wyndham Rewards® loyalty program, giving approximately 120 million enrolled members the opportunity to explore Ovolo's vibrant, unconventional hospitality in new lifestyle destinations around the globe.
