

Company Overview

SCWorx offers an advanced software solution for the management of health care providers' foundational business applications. Together these software systems have been credited with the healthcare providers' customers tending to realize reduced medical expenses, while healthcare providers have tended to experience expanded revenues and more successful and safer clinical outcomes. The SCWorx software solution ultimately transforms many aspects of the healthcare providers' business through its delivery of highly accurate, real-time information that offers the executives of these healthcare providers the ability to optimize many areas of their day-to-day operations, negotiate better contracts with their vendors and payors and make better decisions with respect to strategic purchases.
