## Forward Looking Statements

This press release contains certain "forward-looking information" within the meaning of applicable Canadian securities legislation and "forward-looking statements" as that term is defined in the Private Securities Litigation Reform Act of 1995 (collectively, the "forward-looking statements"). These statements relate to, among other things, the impact of the COVID-19 virus on our business, the results of our initiatives to retain our employees and strengthen our relationships with our customers and community during the pandemic, the effect of our initiatives to expand market share and achieve growth during and following the pandemic, results of operations and financial performance, anticipated future events, and the effectiveness of our business practices during the pandemic. The continued spread of COVID-19 could have, and in some cases already has had, an adverse impact on our business, operations and financial results, including through disruptions in our cultivation and processing activities, supply chains and sales channels, and retail dispensary operations as well as a deterioration of general economic conditions including a possible national or global recession. Due to the uncertainties associated with the continued spread

of COVID-19 and the timing of vaccinations, it is not possible to estimate its impact on our business, operations or financial results; however, the impact could be material. In some cases, you can identify forward looking statements by terminology such as "may," "might," "will," "should," "intends," "expects," "plans," "goals," "projects," "anticipates," "believes," "estimates," "predicts," "potential," or "continue" or the negative of these terms or other comparable terminology. These forward-looking statements are only predictions, are uncertain and involve substantial known and unknown risks, uncertainties and other factors which may cause our actual results, levels of activity or performance to be materially different from any future results, levels of activity or performance expressed or implied by these forward-looking statements. We cannot guarantee future results, levels of activity or performance. You should not place undue reliance on these forward-looking statements, which speak only as of the date that they were made. These cautionary statements should be considered together with any written or oral forward-looking statements that we may issue in the future. Except as required by applicable law, we do not intend to update any of the forward-looking statements to conform these statements to reflect actual results, later events or circumstances or to reflect the occurrence of unanticipated events.
