Return Goods Policy
(Effective April 15, 2021)

This Rigel Pharmaceuticals, Inc. ("**Rigel**") Returned Goods Policy applies to the return of all Rigel pharmaceutical products by wholesalers, specialty distributors, retail pharmacies, mail order pharmacies, physicians, non-hospital-based clinics and hospitals, whether purchased directly or indirectly ("**Product(s)**"). This Policy does not apply to product returns from manufacturers. Rigel will only accept the return of Product for consideration of credit or refund, if applicable, under the conditions, and limitations set out below. This Return Goods Policy supersedes all previous return policies and may be modified by Rigel.

General Terms

All Products must be returned directly to Rigel's designated third party returns processor, listed below, to be eligible for return credit or refund. Rigel reserves the right to deny credit for returns sent to third party processors other than Rigel's designated third party returns processor.

Rigel or its designee will determine whether items qualify for return, credit, or refund. Rigel's determination of the physical count of the returned Products will be final. By returning Product that does not qualify for credit or refund, you authorize Rigel or its designee to destroy, without payment or other recourse, any returned Product. All shipping costs and transportation charges are to be prepaid by the customer except when error is due to Rigel.

Prior Return Authorization is required for all returns. Issuance of Return Authorization does not guarantee credit. Credit issuance is dependent upon confirmed receipt/review of returned Product. Unauthorized return of Product will be destroyed, and credit will not be issued.

Returnable Items

Returns will only be accepted for credit as specified below:

1. Product dating three (3) months prior to expiration date through twelve (12) months after expiration date. Product expiration occurs on the last day of the month of the expiration noted on the package unless package provides a specific date.
2. Product in original, unaltered container, trade package and have a VALID Rigel lot number and expiry date.
3. Product Returned Due to Recall – Product associated with a manufacturer-initiated recall is eligible for return subject to specific terms of the recall notification and requested return actions.
4. Product must be returned by the customer who purchased the product from Rigel. Credit will be issued to direct accounts.

Return Location

All Product must be returned to PharmaLink at the following address:

PharmaLink
Receiving Department PLI-MET
8285 Bryan Dairy Road, #160
Largo, FL 33777

For assistance in returning Rigel Product to PharmaLink, please contact CustomerSolutions@pharmalinkinc.com

Conditions for Credit

1. A valid Return Goods Authorization (RGA) Number must accompany all returns for proper credit. RGA Numbers are valid for 30 days from issuance. Expired RGA Numbers will be considered invalid, and no credit will be issued.
2. Each RGA must be in its own box. If multiple RGA's are in one box, they must be bagged separately.
3. Reimbursement price will be at the actual sale price to the customer, considering any chargebacks paid to such customer.
4. Credit provided to FSS customers will be processed according to the published Federal Supply Schedule price at the time of return.

Instructions for Requesting Return Authorization

Request for Return Authorization (box RA Labels) from PharmaLink can be made as follows:
