

NEWBRIDGE

Company Overview

NewBridge Global Ventures is delivering the health and wellness benefits of hemp, which contains less than 0.03% THC, using state-of-the-art processing technologies. With the patented Shockwave Power™ Reactor and advanced patented separation technologies, NewBridge can extract CBD oil from fresh biomass using only water and low-pressure energy waves. This breakthrough technology platform rids the CBD supply chain of toxic chemicals, doesn't require time intensive drying and can be done efficiently at large scale in order to meet the world's growing demand for CBD oil.
