CEO Chris Bunka was Interviewed on Uptick Network Discussing Company's Positive Future Progress

Kelowna, BC , Aug. 10, 2017 (GLOBE NEWSWIRE) -- **CEO Chris Bunka was Interviewed on Uptick Network Discussing Company's Positive Future Progress**

Kelowna, BC (UPTICK Newswire – August 10, 2017) - Lexaria Bioscience Corp. (OTC:LXRP) CEO Chris Bunka was interviewed on the Uptick Network Stock Day Radio Show with host Everett Jolly. Mr. Bunka updates the Uptick Network on the overall accomplishments that have presented itself in the past 3 months. Mr. Bunka further discusses the outlook for shareholders, their expectations for the company's profitability and where the company is at in this progress. R&D could open the NSAID and Nicotine markets to Lexaria and with significant increase in corporate revenues, additional expansion is ahead.

In closing CEO, Chris Bunka states, "In the next 12 months you won't even recognize Lexaria. If you look at it today and look at where we are going to be in the next 12 months... I think we are going to be an entirely different company."

The interview was paid by **Lexaria Bioscience Corp** and approved by Chris Bunka. The distribution was sent out to the Uptick Network Stock Day Podcast, sponsors, its affiliates and social media distribution platforms.

About Lexaria

Lexaria Bioscience Corp. is a biosciences company with a proprietary technology for improved delivery of bioactive compounds. The Company's lipophilic enhancement technology has been proven to enhance the bioavailability of orally ingested cannabinoids, while also improving taste. This technology promotes healthy ingestion methods, lower

overall dosing and higher effectiveness in active molecule delivery. The Company's technology is patent-protected for cannabidiol (CBD) and all other non-psychoactive cannabinoids, and patent-pending for Tetrahydrocannabinol (THC), other psychoactive cannabinoids, non-steroidal anti-inflammatory drugs (NSAIDs), nicotine and other molecules.
