Pineapple Energy Announces Restructuring of Existing Series A Convertible Preferred Stock and Related Warrants

MINNETONKA, Minn., Sept. 09, 2024 (GLOBE NEWSWIRE) -- Pineapple Energy Inc. (Nasdaq: PEGY) ("Pineapple" or the "Company"), a leading provider of sustainable solar energy and back-up power to households and small businesses, announced today that they have entered into Securities Exchange Agreements (the "Exchange Agreements") with the holders of the Company's Series A convertible preferred stock (the "Series A Preferred Stock") and related warrants (the "Warrants") pursuant to which the holders have agreed to exchange the Series A Preferred Stock and Warrants for shares of the Company's Series C convertible preferred stock (the "Series C Preferred Stock").

Immediately prior to the execution of the Exchange Agreements, the Company entered into an Amended and Restated Convertible Secured Note with the lender party to the Company's Secured Credit Note, dated July 22, 2024 (the "Amended Note"), providing for an additional principal advance of \$120,000 which amount is convertible into shares of the Company's common stock at a conversion price of \$0.45 per share. As a result of the issuance of the Amended Note, the adjustment provisions in the Series A Preferred Stock were triggered and caused certain adjustments in the currently effective conversion price of the Series A Preferred Stock and exercise price of the Warrants to \$0.45 per share, and a proportional increase in the number of shares of the Company's common stock issuable under the Warrants (the "Reset").

As a result of the Reset, the holders of the Series A Preferred Stock and Warrants would be able to convert their Series A Preferred Stock into an aggregate of 28,942,573 shares of the Company's common stock at \$0.45 per share, and exercise their Warrants for an aggregate of 66,741,065 shares of the Company's common stock at \$0.45 per share. In connection with the Exchange Agreements, the holders agreed to cancel and retire the Series A Preferred Stock and the Warrants in exchange for shares of Series C Preferred Stock, convertible at \$0.45 per share for up to an aggregate of 62,313,111 shares of the Company's common stock. The Series C Preferred Stock does not contain any of the price resets set forth in the Series A Preferred Stock.

For a further description of the transaction and the terms of the Series C Preferred Stock, see the Company's Current Report on Form 8-K to be filed with the Securities and Exchange Commission today.

The closing of the transactions contemplated by the Exchange Agreements and the Amended Note will occur on September 10, 2024, subject to the satisfaction of certain closing conditions.
