Evolv Technology Strengthens its Presence in North American Professional Soccer with Renewal of St. Louis CITY SC Subscription Agreement

Multi-year renewal of Evolv Express® includes upgrade to all Gen2 hardware

WALTHAM, Mass.--(BUSINESS WIRE)-- Evolv Technologies Holdings, Inc. (NASDAQ: EVLV), a leading security technology company pioneering AI-powered solutions designed to create safer experiences, today announced that Major League Soccer team, [St. Louis CITY SC](#), has entered a multi-year renewal agreement for [Evolv Express®](#), the company's people-screening solution. Express has been in use at [Energizer Park](#), the team's 22,423-seat home stadium, since its opening in 2023. Nearly two million people have been screened to date using Evolv Express at CITY SC matches and community events.

The renewal, which maintains Evolv's status as CITY SC's "Official Fan Screening Partner," has updated the Express fleet to all Gen2 hardware, which went live in April. Evolv Express uses advanced sensor technology and AI to detect concealed threats and identify the person and location of the potential threat, while allowing people to move through checkpoints at their natural walking pace. The system is designed to screen visitors effectively while helping minimize congestion and disruption to traffic flow at entry points. The new Gen2 hardware adds enhanced mobility, improved camera resolution, and other features to the equipment fleet. Gen2 has progressively been rolling out across North American sports facilities as existing Evolv customers renew, and new teams and venues join Evolv's roster.

"Since our inaugural season, our partnership with Evolv has helped enhance our fan experience while not compromising safety," said Matt Sebek, Chief Experience Officer, St. Louis CITY SC. "It's our goal to make Energizer Park one of the most innovative and efficient stadiums in MLS. Extending our relationship with Evolv and updating our Express units to the latest hardware helps us continue to deliver an efficient arrival experience for our fans and staff from the moment they enter the stadium."

"CITY SC is another in a growing list of teams and venues that have elected to renew and extend their Express subscription agreement far ahead of the end of the initial term," said John Baier, Evolv Vice President of Sports & Entertainment. "We're grateful for the vote of confidence that these renewals illustrate and appreciate the opportunity to deliver our latest product and enhanced fan arrival experience to hundreds of thousands of St. Louis soccer fans each season."

The CITY SC renewal is further evidence of Evolv's strong and stable position in American professional soccer. With other recent additions in MLS, Evolv serves 15+ professional soccer teams. These soccer teams join many other professional sports teams and venues around the world on the Evolv sports and entertainment customer list.

About St. Louis CITY SC

St. Louis CITY SC, one of the few majority female-led ownership groups in all of professional sports, is Major League Soccer's 28th expansion team and plays at Energizer Park, an STLMAde 22,500-seat world-class soccer-specific stadium. Energizer Park is part of a new world-class stadium district, which includes a practice facility, team store and team headquarters all within the same 30+ acre urban campus in downtown St. Louis to help further the region's continued growth and revitalization. St. Louis CITY SC's vision is to be an exceptional club and neighbor that brings people together through the power of sports.

About Evolv Technology

Evolv (NASDAQ: EVLV) is designed to transform human security by helping organizations detect potential threats, mitigate risk, and enhance safety using AI-powered security solutions with robust insights. Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Evolv Technology intends for such forward-looking statements to be covered by the safe harbor provisions for forward-looking statements contained in Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. All statements in this press release, other than that are historical facts, are statements that could be deemed forward-looking statements, as well as statements regarding the Company's strategy, financial and operational performance and growth, and efforts to create value for stakeholders. Forward-looking statements involve known and unknown risks, uncertainties and other important factors that may cause actual results and actions to be materially different from any future results or actions expressed or implied by the forward-looking statements, including, but not limited to, the factors discussed under the caption "Risk Factors" in our Annual Report on Form 10K for the year ended December 31, 2025, filed with the Securities and Exchange Commission on March 10, 2026, as well as any such factors that may be updated from time to time in our other filings with the SEC. The forward-looking statements in this press release are based upon information available to us as of the date hereof, and while we believe such information forms a reasonable basis for such statements, it may be limited or incomplete, and our statements should not be read to indicate that we have conducted an exhaustive inquiry into, or review of, all potentially available relevant information. These statements are inherently uncertain, and investors are cautioned not to unduly rely upon these statements.

Except as required by applicable law, we do not plan to publicly update or revise any forward-looking statements contained in this document, whether as a result of any new information, future events or otherwise.
