Triterras Provides Update on Independent Audit of Financials for Fiscal Year Ended February 28, 2021

SINGAPORE, Nov. 01, 2021 (GLOBE NEWSWIRE) -- [Triterras Inc.](#) (NasdaqGM: TRIT, TRITW) (“Triterras” or the “Company”), a leading fintech company focused on trade and trade finance, today is providing an update on the independent audit of its financial statements for the fiscal year ended February 28, 2021 (the “Audit”).

The Company encountered an unanticipated delay in the finalization of the Audit, which resulted in Triterras not meeting Nasdaq’s November 1, 2021 deadline to file its Annual Report on Form 20-F with the U.S. Securities and Exchange Commission.

The Company has submitted a Supplemental Letter requesting an extension to file to December 1, 2021 and is awaiting Nasdaq’s decision on the request for extension. Triterras plans to make a public announcement via press release immediately upon learning of the Nasdaq decision. The Company cannot offer any assurances that Nasdaq will permit an extension but is hopeful that the request will be granted. If Nasdaq does not accept the Company’s extension request, then the Company would have the opportunity to appeal that decision to a Nasdaq hearings panel.

Nasdaq had previously granted the Company an extension to November 1, 2021 to regain compliance with Nasdaq Listing Rule 5250(c)(1) by filing its Annual Report on Form 20-F with the U.S. Securities and Exchange Commission.

Upon completion of the Audit, the Company plans to announce results via press release for the fiscal year ended February 28, 2021 and also host an earnings conference call to discuss results and provide a business update.
