SKECHERS Foundation and Tommy Lasorda Host Children with Special Needs at Dodger Stadium

MANHATTAN BEACH, Calif.--(BUSINESS WIRE)-- SKECHERS Foundation, a SKECHERS organization designed to support families and communities in need, announced that it partnered with Hall of Fame manager Tommy Lasorda to host a day at Dodger Stadium on August 1 for members of the Friendship Circle, an organization dedicated to nurturing and inspiring the special needs community. The event included 100 children with special needs and their families, and five children with special needs were given the opportunity to join Lasorda down on the field with the current Dodger players before the first pitch.

SKECHERS Pier to Pier Friendship Walk – a Nickelodeon-sponsored Southern California event that raises funds for The Friendship Circle and education. Lasorda has co-hosted the Walk since its launch in 2009 and will co-host the 2012 Walk on October 28.

“The Friendship Circle has a special place in my heart. These kids give such joy and love, they change people’s lives. I know they’ve changed mine,” said Lasorda. “I’m so excited to take them to the place I love – and I can’t wait to be part of our next walk. The Pier to Pier Friendship Walk makes such a big difference for these kids every year, and for education too. I’d love for everyone at our games to join us and walk for our kids!”

“Going to a baseball game was one of my favorite memories as a kid – and there’s nothing like doing it with Tommy himself!” added Michael Greenberg, president of SKECHERS. “This is a day that these kids will cherish for the rest of their lives – and I’m so grateful to Tommy for helping us make this a reality, as well as all the years he’s hosted the Walk. It’s such a great way to tell baseball fans and our community about this event.”

An extension of the SKECHERS Foundation, The SKECHERS Pier to Pier Walk gathers donations for Friendship Circle projects such as teen mentorships, support groups and programs for children with special needs and their families, as well as equipment, salaries and supporting materials for compromised schools. This announcement may contain forward-looking statements that are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate or simply state future results, performance or achievements, and can be identified by the use of forward looking language such as "believe," "anticipate," "expect," "estimate," "intend," "plan," "project," "will be," "will continue," "will result," "could," "may," "might," or any variations of such words with similar meanings. Any such statements are subject to risks and uncertainties that could cause actual results to differ materially from those projected in forward-looking statements. Factors that might cause or contribute to such differences include international, national and local general economic, political and market conditions including the ongoing global economic slowdown and market instability; entry into the highly competitive performance footwear market; sustaining, managing and forecasting costs and proper inventory levels; losing any significant customers, decreased demand by industry retailers and cancellation of order commitments due to the lack of popularity of particular designs and/or categories of products; maintaining brand image and intense competition among sellers of footwear for consumers; anticipating, identifying, interpreting or forecasting changes in fashion trends, consumer demand for the products and the various market factors described above; sales levels during the spring, back-to-school and holiday selling seasons; and other factors referenced or incorporated by reference in the Company's annual report on Form 10-K for the year ended December 31, 2011 and its quarterly report on Form 10-Q for the three months ended March 31, 2012. The risks included here are not exhaustive. The Company operates in a very competitive and rapidly changing environment. New risks emerge from time to time and the companies cannot predict all such risk factors, nor can the companies assess the impact of all such risk factors on their respective businesses or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. Given these risks and uncertainties, you should not place undue reliance on forward-looking statements as a prediction of actual results. Moreover, reported results should not be considered an indication of future performance.
