Wyndham Rewards Ranked Best Hotel Loyalty Program by Readers of USA Today

Wyndham Rewards Earner® Card once again named best hotel credit card

PARSIPPANY, N.J., Aug. 20, 2024 /PRNewswire/ -- Wyndham Rewards®, the world's most generous rewards program spanning more than 60,000 hotels, vacation club resorts and vacation rentals globally has once again been ranked the top hotel rewards program by readers of USA Today while the Wyndham Rewards Earner® Card has been ranked the top hotel credit card.

This marks the seventh consecutive year Wyndham Rewards has taken the top spot in program rankings from USA Today and the sixth consecutive year its credit card has taken the top spot. Nominees for the awards are compiled by a panel of industry experts, and winners are chosen based on daily voting from USA Today readers.

Both rankings are the latest in a series of wins for Wyndham Rewards, which just last month was named best hotel rewards program by U.S. News & World Report and most valuable rewards program by NerdWallet. What's more, they add to a growing a list of accolades for parent company Wyndham Hotels & Resorts, which this year alone has been named one of Newsweek's Most Loved Workplaces, one of Ethisphere's Most Ethical Companies and one of Fair360's Top 50 Companies for Workplace Fairness, among others.

"Simple and generous—that's what Wyndham Rewards is all about. Day-in, and day-out, no other hotel rewards program gives their members more for their money or offers more places to redeem. From seaside escapes to buzzing urban cities, wherever you want to go, whatever you want to do, Wyndham is there to welcome you. Congratulations to our team members, to our franchisees and to our partners—without your hard work and continued dedication, these accolades simply wouldn't be possible."
