GSRX Industries Inc's Newest Green Spirit RX Medicinal Cannabis Dispensary in Puerto Rico Passes Final Inspection; Will Commence Operations Following Receipt of Operating Permit

New Green Spirit RX Dispensary Located in Isla Verde District of Carolina

DORADO, Puerto Rico, April 05, 2019 (GLOBE NEWSWIRE) -- GSRX Industries Inc. (OTCQB: GSRX) ("GSRX" or the "Company") announced today that, through its wholly-owned subsidiary, Project 1493 LLC, the Company's sixth Green Spirit RX medicinal cannabis dispensary has passed final inspection in Puerto Rico. Located in the Isla Verde District of Carolina, operations at the Isla Verde location will commence following receipt of the requisite operating permit from the Department of Health of Puerto Rico.

Currently, there are five Green Spirit RX medicinal cannabis dispensaries open in Puerto Rico, with locations in Dorado, Carolina, Fajardo, Andalucia and San Juan's Hato Rey neighborhood. In addition to the new dispensary in Isla Verde the Company has locations currently under development/construction in Guaynabo, Bayamón and Old San Juan.

Green Spirit's newest Green Spirit RX dispensary is located at 1060 Av. Isla Verde, Carolina, Puerto Rico 00913. Isla Verde is one of the most popular beach vacation destinations in the metro San Juan area and attracts both leisure and business travelers. It is home to some of the island's most luxurious beachfront hotels, and Isla Verde Beach was voted the Best Urban Beach by *USA Travel* readers in 2016. Isla Verde is located within minutes of San Juan's Luis Muñoz Marín International Airport and boasts an active nightlife scene, offering casinos, dance clubs and elegant lounges.

Like the Company's other locations throughout Puerto Rico, GSRX's Isla Verde dispensary will offer patients an extensive selection of medicinal cannabis. Importantly, the island's cannabis law includes a reciprocity policy that allows dispensaries to serve patients who are visiting for business or pleasure and who hold a medical cannabis card from their home state.
