Forward-Looking Statements

Statements in this release about future events or performance, including expectations for gross revenues, diluted earnings per share and tax rate for 2015, are forward-looking statements which involve known and unknown risks, uncertainties and other factors that may cause the actual results of the Company to be materially different from any future results expressed or implied by such forward-looking statements. Factors that could affect future results include economic conditions in the Company's service areas, the effect of changes in the Company's mix of services on gross margin, the Company's ability to retain current clients and attract new clients, the availability of financing or other sources of capital, future workers' compensation claims experience, the effect of changes in the workers' compensation regulatory environment in one or more of the Company's primary markets, the collectability of accounts receivable, the carrying value of deferred income tax assets and goodwill, and the effect of conditions in the global capital markets on the Company's investment portfolio, among others. Other important factors that may affect the Company's future prospects are described in the Company's 2013 Annual Report on Form 10-K and its quarterly report on Form 10-Q for the quarter ended September 30, 2014. Although forward-looking statements help to provide complete information about the Company, readers should keep in mind that forward-looking statements are less reliable than historical information. The Company undertakes no obligation to update or revise forward-looking statements in this release to reflect events or changes in circumstances that occur after the date of this release.
