

ServisFirst Bancshares, Inc. Ranks Fifth Among Top Publicly Traded Banks with between \$10 Billion to \$50 Billion in Assets

The Sole Alabama-Based Institution in the Top Ten

BIRMINGHAM, Ala., July 28, 2025 (GLOBE NEWSWIRE) -- [ServisFirst Bank](#), a subsidiary of ServisFirst Bancshares (NYSE:SFBS), is pleased to announce they have ranked fifth in the top publicly traded banks with between \$10 billion to \$50 billion in assets, according to [American Banker's](#) annual list of top-performing banks, based on year-end 2024 data. Compiled by [Capital Performance Group](#) using [S&P Global Market Intelligence](#) data and regulatory filings, the ranking recognizes banks delivering exceptional financial performance. Previously, ServisFirst Bancshares, Inc. was ranked fourth based on year-end 2023 data.

"We are honored to once again be recognized among the top-performing banks in the country," states Tom Broughton, ServisFirst Bank Chairman, President, and CEO. "Our consistent performance is the result of disciplined growth, strong client relationships, and a relentless focus on efficiency. This ranking is a reflection of the hard work and dedication of our entire team, and we remain committed to delivering long-term value to our shareholders and exceptional service to our customers."

ServisFirst Bancshares, Inc., an \$18 billion-asset institution, reported a three-year average ROAE of 16.95% and reported a 2024 net interest margin of 2.82%. In the *American Banker* [article](#), Claude Hanley, founder and partner at Capital Performance Group, attributed the success of top-ranked banks to "good old-fashioned loan growth," which helped drive earnings even as the median net income across the \$10 billion–\$50 billion tier declined.

As the only Alabama-based institution to rank in the top ten—and among the top 80 banks nationwide—ServisFirst Bank continues to strengthen its reputation as a high-performing, well-capitalized financial institution. This recognition underscores the Bank's ability to deliver strong financial results in a competitive market, reinforcing its role as a trusted partner for businesses and individuals across the Southeast.
