Amesite Announces Strategic Five-Year Partnership to Expand Workforce Development with West Virginia Northern Community College

DETROIT, Dec. 12, 2023 (GLOBE NEWSWIRE) -- **Amesite Inc. (NASDAQ: AMST),** a leading artificial intelligence software company offering a cloud-based learning platform for business and education markets, announces a five-year partnership with West Virginia Northern Community College (WVNCC).

Dr. Ann Marie Sastry, CEO of Amesite, commented on the new partnership. "WVNCC's Workforce Development Program is very effectively engaging their community through education. We are delighted to partner with their team to expand their offerings and impact, and reach more of their constituents with flexible, online offerings."

"Partnering with Amesite enables us to expand our educational capabilities and reach," said Dr. Phil Klein, Vice President, Economic & Workforce Development at WVNCC. "This collaboration will help us drive economic development through partnerships with our regional businesses."

West Virginia Northern Community College's mission is to educate and empower individuals to achieve academic and career goals, leading to a highly skilled, well-rounded, and accomplished workforce which successfully competes and adapts in a global economy. The College responds to the needs of the region it serves by offering a high-quality learning environment that is accessible, safe, and accommodating while nurturing teamwork and community service. Founded in 1972, WVNCC is comprised of three campuses situated in New Martinsville, Weirton and Wheeling.

Forward Looking Statements

This communication contains forward-looking statements (including within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended) concerning the Company, the Company's planned online machine learning platform, the Company's business plans, any future commercialization of the Company's online learning solutions, potential customers, business

objectives and other matters. Forward-looking statements generally include statements that are predictive in nature and depend upon or refer to future events or conditions, and include words such as "may," "will," "should," "would," "expect," "plan," "believe," "intend," "look forward," and other similar expressions among others. Statements that are not historical facts are forward-looking statements. Forward-looking statements are based on current beliefs and assumptions that are subject to risks and uncertainties and are not guarantees of future performance. Actual results could differ materially from those contained in any forward-looking statement. Risks facing the Company and its planned platform are set forth in the Company's filings with the SEC. Except as required by applicable law, the Company undertakes no obligation to revise or update any forward-looking statement, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
