MSC Income Fund, Inc. Files Definitive Proxy Statement in Connection with Potential Listing of its Shares on a National Securities Exchange

HOUSTON – September 10, 2024 – MSC Income Fund, Inc. (the “Company”) is pleased to announce that it recently filed a Definitive Proxy Statement (the “Definitive Special Proxy Statement”) with the U.S. Securities and Exchange Commission (the “SEC”) in connection with the Company’s upcoming Special Meeting of Shareholders (the “Special Meeting”), which will be held on Monday, December 2, 2024, in the East-West Conference Rooms at 1330 Post Oak Boulevard, 2nd Floor, Houston, Texas 77056, commencing at 9:00 a.m., local time. The Definitive Special Proxy Statement details a series of proposals which the Company believes will position it to effectuate a listing of its shares of common stock on a national securities exchange (such as the New York Stock Exchange or NASDAQ Stock Market) (a “Listing”), which may be accompanied by a follow-on public offering of its shares, in each case if and when market conditions make it desirable to do so and if it is otherwise in the Company’s and its shareholders’ best interest.

In commenting on the Definitive Special Proxy Statement, Dwayne L. Hyzak, the Company’s Chief Executive Officer, stated, “We continue to be very excited about the potential changes at MSC Income Fund that are detailed in its recent Definitive Special Proxy Statement filing, which are the result of our continued efforts to find the best long-term outcome for all MSC Income Fund stakeholders. The MSC Income Fund board of directors and I strongly encourage all MSC Income Fund shareholders to vote as soon as possible for the proposals being considered at the upcoming Special Meeting. Whether you own many shares, or just a few, your vote is important to the Fund’s future.”

Mr. Hyzak continued, “We believe that the planned activities and changes represent significant catalysts to the future growth of MSC Income Fund and strengthen its ability to continue to provide its shareholders with an attractive recurring and growing quarterly dividend and favorable total shareholder returns through a transition of the Company’s investment strategy and investment portfolio to be solely focused on its private loan investment strategy. We also understand that an option for liquidity is a valuable feature of any investment, so we are pleased that the Definitive Special Proxy Statement is a significant step in providing all MSC Income Fund shareholders the benefits of an equity security that is listed on a national securities exchange. We look forward to sharing additional details of the expected future benefits to the shareholders of MSC Income Fund and the potential timing of a Listing and to executing on the plans detailed in the Definitive Special Proxy Statement.”

The Company believes that a Listing, and actions taken in connection therewith, would provide several benefits to its shareholders, including, but not limited to the following:

- an opportunity for the significant growth of the Company through near-term access to additional capital through the public capital markets;
- significant benefits for the Company’s shareholders associated with an investment strategy intended to generate an attractive recurring and growing quarterly dividend through an intentional transition of the Company’s investment strategy and investment portfolio to be solely focused on its private loan investment strategy, rather than its current focus primarily on its private loan investment strategy and secondarily on its lower middle market investment strategy; and
- a path to an option for full liquidity for those existing shareholders who desire such an option.

A Listing would also provide the longer-term opportunity to access additional leverage capacity through a potential future reduction in the Company’s minimum asset coverage ratio from 200% to 150%, subject to future board of directors or shareholder approval, which would allow the Company to further optimize its leverage profile and shareholder returns and support the future growth of its investment portfolio.

Effective upon a Listing, the Company and its investment adviser and administrator, MSC Adviser I, LLC (“MSC Adviser”), would amend their existing investment advisory agreement to better align with the Company’s transition to focus on its private loan investment strategy, including changes to the base management fee and incentive fee structures. The transactions and changes contemplated in the Definitive Special Proxy Statement, including the proposed amendment of the Company’s investment advisory agreement with MSC Adviser, have been approved by the Company’s board of directors, but remain subject to approval of the Company’s shareholders.
