MSC Income Fund Adjourns Special Meeting of Stockholders to December 11, 2024

Dear Stockholder:

Earlier today, MSC Income Fund, Inc. (the "Company") convened and adjourned its Special Meeting of Stockholders (the "Special Meeting") without any business being conducted other than the adjournment.

The Special Meeting was adjourned in order to solicit additional proxies for the following four Listing Charter Amendment Proposals:

2. to approve a proposal to reflect amendments to the Charter, which will become effective upon a Listing, to delete certain provisions required by, and remove references to, the Omnibus Guidelines promulgated by the North American Securities Administrators Association, Inc. and which will serve to conform certain provisions in the Charter more closely to provisions in the charters of other business development companies whose securities are listed and publicly-traded on a national securities exchange;
3. to approve a proposal to reflect an amendment to the Charter, which will become effective upon a Listing, to delete provisions regarding restrictions and requirements applicable to the Company's distribution reinvestment plan; and
1. to approve a proposal to reflect an amendment to the Charter, which will become effective upon a Listing, to delete provisions prohibiting acquisitions of assets in exchange for Shares and restricting certain transactions between the Company and its investment adviser, MSC Adviser I, LLC, and its affiliates.
