About Matthews International

Matthews International Corporation is a global provider of brand solutions, memorialization products and industrial technologies. The SGK Brand Solutions segment is a leader in providing brand development, deployment and delivery services that help build its clients' brands and consumers' desire for them. The Memorialization segment is a leading provider of memorialization products, including memorials, caskets and cremation equipment, primarily to cemetery and funeral home customers that help families move from grief to remembrance. The Industrial Technologies segment designs, manufactures and distributes marking, coding and industrial automation technologies and solutions. The Company has approximately 11,000 employees in more than 25 countries on six continents that are committed to delivering the highest quality products and services.
