Airship AI to Attend the 36th Annual ROTH Conference on March 17-19, 2024

REDMOND, Wash., March 07, 2024 (GLOBE NEWSWIRE) -- Airship AI Holdings, Inc. (NASDAQ: AISP) ("Airship AI" or the "Company"), a leader in AI-driven video, sensor, and data management surveillance solutions, will attend the 36th Annual ROTH Conference being held on March 17-19, 2024 at The Ritz Carlton Laguna Niguel located in Dana Point, California.

Airship AI President Paul Allen will conduct in-person one-on-one meetings during the conference to discuss the recently announced large contract to an agency within the Department of Justice (DOJ) for the Company's Acropolis Enterprise Sensor Management video and data management platform, \$10.9 million award from the Department of Homeland Security, 2024 \$11.8 million backlog plus pipeline of \$140 million, and expanding footprint driven by demand from Fortune 500 Customers and U.S. Federal Government and Department of Defense Agencies.

Forward-Looking Statements

The disclosure herein includes certain statements that are not historical facts but are forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “should,” “would,” “plan,” “project,” “forecast,” “predict,” “potential,” “seem,” “seek,” “future,” “outlook,” and similar expressions that predict or indicate future events or trends or that are not statements of historical matters, but the absence of these words does not mean that a statement is not forward looking. These forward-looking statements include, but are not limited to, (1) statements regarding estimates and forecasts of other financial, performance and operational metrics and projections of market opportunity; (2) changes in the market for Airship AI’s services and technology, expansion plans and opportunities; (3) Airship AI’s unit economics; (4) the projected technological developments of Airship AI; (5) current and future potential commercial and customer relationships; (6) the ability to operate efficiently at scale; (7) anticipated investments in capital resources and research and development, and the effect of these investments; (8) the ability of the Company to issue equity or equity-linked securities in the future; and (9) the inability to maintain the listing of the Company’s common stock and warrants on Nasdaq. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of Airship AI’s management and are not predictions of actual performance. These forward-looking statements are also subject to a number of risks and uncertainties, as set forth in the section entitled “Risk Factors” and “Cautionary Note Regarding Forward-Looking Statements” in the Registration Statement on Form S-4, filed with the SEC on September 11, 2023, as amended from time to time, and the other documents that the Company has filed, or will file, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. In addition, forward looking statements reflect the Company’s expectations, plans or forecasts of future events and views as of the date of this press release. The Company anticipates that subsequent events and developments will cause its assessments to change. However, while it may elect to update these forward-looking statements at some point in the future, the Company specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing the Company’s assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.
