

VERB Technology to Present its Sales Enablement SaaS Solutions at the Emerging Growth Conference on March 17, 2021 at 9:30 AM ET

VERB is currently preparing for global commercial release of interactive video integration with Microsoft Outlook

NEWPORT BEACH, Calif. and SALT LAKE CITY, March 15, 2021 (GLOBE NEWSWIRE) -- [VERB Technology Company, Inc.](#) (Nasdaq: VERB) ("VERB" or the "Company"), a rapidly emerging market leader in business-focused interactive video sales and marketing tools, including livestream ecommerce, CRM, and content management applications, today announced that CEO Rory J. Cutaia is presenting at the Emerging Growth Conference on March 17, 2021 at 9:30 AM ET to a live, online audience.

Mr. Cutaia's presentation will highlight the Company's unique interactive video technology and software-as-a-service sales enablement solutions, including its livestream ecommerce application [verbLIVE](#), shifts in global shopping trends and consumer behavior for which the Company's products are well-positioned, and recent strategic initiatives. A question-and-answer session will follow his presentation.

Please register here to attend the conference:

An archived webcast will also be made available on [EmergingGrowth.com](#).

The Emerging Growth Conference is an effective way for public companies to present and communicate with the investment community. The conference focuses on companies in a wide range of growth sectors with strong management teams, innovative product and services, focused strategy and execution, and overall potential for long-term growth. Its audience includes institutional and individual investors, investment advisors and analysts.

About VERB

VERB Technology Company, Inc. (Nasdaq: VERB) is rapidly emerging as the market leader in business-focused interactive video sales and marketing tools, including livestream ecommerce, CRM, and content management applications. With offices in California and Utah, USA, VERB provides next-generation software applications to sales-based organizations in more than 60 countries and 48 languages. The Company's proprietary, patented, and patent-pending technology platform produces real-time, measurable results, with customers reporting greater than 600% increases in conversion rates. VERB's software-as-a-service (SaaS) products are cloud-based, accessible on all mobile and desktop devices, and are available by subscription for individual and enterprise users.

The Company's technology is also integrated into popular ERP, CRM, and marketing platforms. For more information, please visit www.verb.tech.

FORWARD LOOKING STATEMENTS

This press release contains forward-looking statements that involve risks and uncertainties, including statements about the closing of the offering of common stock. These forward-looking statements involve risks and uncertainties. If any of these risks or uncertainties materialize, or if any of our assumptions prove incorrect, our actual results could differ materially from the results expressed or implied by these forward-looking statements. These risks and uncertainties include risks associated with: the COVID-19 pandemic and related public health measures on our business, customers, markets and the worldwide economy; our plans to attract new customers, retain existing customers and increase our annual revenue; the development and delivery of new products, including verbLIVE; our plans and expectations regarding software-as-a-service offerings; our ability to execute on, integrate, and realize the benefits of any acquisitions; fluctuations in our quarterly results of operations and other operating measures; increasing competition; general economic, market and business conditions; and the risks described in the filings that we make with the Securities and Exchange Commission ("SEC") from time to time, including the risks described under the headings "Risk Factors" and "Management Discussion and Analysis of Financial Condition and Results of Operations" in our Annual Report on Form 10-K, which was filed with the SEC on May 14, 2020, as amended by Amendment No. 1 on Form 10-K/A to our Annual Report on Form 10-K, which was filed with the SEC on June 4, 2020, and which should be read in conjunction with our financial results and forward-looking statements contained therein, and our Quarterly Report on Form 10-Q for the quarter ended September 30, 2020, which was filed with the SEC on November 16, 2020, which should be read in conjunction with our financial results and forward-looking statements contained therein. All forward-looking statements in this press release are based on information available to us as of the date hereof, and we do not assume any obligation to update the forward-looking statements provided to reflect events that occur or circumstances that exist after the date on which they were made, except as required by law.
