Tortoise Capital Resources Corp. Releases Fiscal 2009 Results

LEAWOOD, Kan.--(BUSINESS WIRE)-- Tortoise Capital Resources Corp. (NYSE: TTO) (the company) today announced its financial results for the fiscal year ended Nov. 30, 2009, in its Annual Report on Form 10-K filed Feb. 16, 2010.

Recent Highlights

- Net assets of \$84.3 million, or \$9.29 per share, as of Nov. 30, 2009
- Total assets of \$89.5 million as of Nov. 30, 2009
- Distributable cash flow (DCF) of \$5.9 million for the fiscal year ended Nov. 30, 2009
- First quarter distribution of \$0.13 per share to be paid Mar. 1, 2010
- Mowood, LLC (Mowood) closes on sale of its subsidiary Timberline Energy, LLC (Timberline) on Feb. 9, 2010

Performance Review

On Feb. 9, 2010, the company announced a first quarter 2010 distribution of \$0.13 per common share to be paid on Mar. 1, 2010, the same amount paid in the preceding quarter. The company determines the amount of distributions paid to stockholders based on distributable cash flow (DCF) which is distributions received from investments less total expenses. There were no distribution increases or decreases from portfolio companies for the first quarter 2010.

Leverage

On Aug. 20, 2009, the company entered into a six-month extension of its amended credit facility through Feb. 20, 2010. The balance outstanding on the credit facility at Nov. 30, 2009 was \$4.6 million. On Feb. 10, 2010, the company fully repaid the outstanding balance on its credit facility utilizing distribution proceeds it received from Mowood's sale of Timberline.

Net Asset Value

At Nov. 30, 2009, the company's net asset value was \$9.29 per share compared to \$8.76 per share at Aug. 31, 2009 and \$9.96 per share at Nov. 30, 2008. The increase in net asset value in the fourth quarter was primarily related to an overall increase in the fair value of the private investments. The year-over-year decrease in net asset value was primarily the result of significant deleveraging to pay down the credit facility, as well as the decline of values in the broader market during the first part of 2009.

Portfolio Review

As of Nov. 30, 2009, the fair value of the company's investment portfolio (excluding short-term investments) totaled \$82.5 million, including equity investments of \$73.7 million and

debt investments of \$8.8 million. The portfolio consists of 61 percent midstream and downstream investments, 7 percent upstream investments, and 32 percent in aggregates and coal. The weighted average yield-to-cost on the investment portfolio (excluding short-term investments) as of Nov. 30, 2009 was 6.9 percent.

On Feb. 9, 2010, Mowood closed the sale of its wholly owned subsidiary, Timberline, to Landfill Energy Systems, LLC. Timberline is an owner and developer of projects that convert landfill gas to energy. Mowood will continue its ownership and operation of Omega Pipeline Company, LLC (Omega), a local distribution company which serves the natural gas and propane needs of Fort Leonard Wood and other customers in south central Missouri. The company received a partial distribution of proceeds in the amount of \$3.8 million (out of an expected total of approximately \$9.0 million), which it used to pay off the outstanding balance on its credit facility. The company intends to invest the remaining \$5.2 million of the expected initial proceeds according to stated investment policies, which may include a potential investment in Omega to facilitate growth and investments in publicly-traded securities. Over the next two years, the company could receive additional proceeds of up to \$2.4 million, based on contingent and escrow terms. The company expects the immediate impact of the transaction to be neutral to its distributable cash flow.

On Feb. 8, 2010, Quest Resource Corporation (NASDAQ: QRCP) and Quest Energy Partners, L.P. (NASDAQ: QELP) announced the Securities and Exchange Commission (SEC) declared the Registration Statement of PostRock Energy Corporation on Form S-4 effective. The Form S-4 registers with the SEC PostRock's common stock to be issued in connection with the pending merger of QRCP, QELP, and Quest Midstream Partners, L.P into PostRock, a new, publicly-traded corporation that would wholly own all three entities. Shareholders of record as of Feb. 1, 2010 of QRCP and QELP will be entitled to vote upon the merger at shareholder meetings scheduled for Mar. 5, 2010.

In Oct. 2009, Abraxas Energy Partners LP merged with its affiliate, Abraxas Petroleum Corporation (NASDAQ: AXAS). In connection with the merger, the holders of common units of Abraxas exchanged their units into publicly-traded shares of AXAS. The company received 1,946,376 shares of AXAS. These shares are subject to a staggered lock-up period which expires in February 2012.

On Dec. 31, 2009, the company received its expected cash distribution from Lonestar Midstream Partners, LP of approximately \$804,000.
