Relieve Holiday Stress with The Joint Chiropractic's Black Friday Offer

-Free Visits with Purchase of Chiropractic Care Package-

SCOTTSDALE, Ariz., Nov. 2, 2020 /PRNewswire/ -- Many Americans experience an influx of stress and anxiety as the holidays approach, which may be exacerbated this year due to the pandemic. To help combat pressure that comes with the holiday season, The Joint Corp. (NASDAQ: JYNT), the nation's largest provider of chiropractic care through [The Joint Chiropractic®](#) network, announced today its Black Friday offering. From Nov. 23 through Nov. 30, all The Joint patients can receive two free chiropractic visits with the purchase of a 10-visit package, or four free chiropractic visits with a 20-visit package purchase.

The "holiday blues" can manifest physically in the shoulders, neck and low back, adding increased strain to the spine. Chiropractic adjustments seek to restore alignment, improve joint movement, and improve nerve function. The goal of treatment is to reduce discomfort and improve the body's natural ability to respond to stressors that surface this time of year.

The Joint Chiropractic is known for its convenient retail setting and concierge-style services. For patients that means no-appointments, no-insurance hassles, affordable chiropractic care and accommodating hours of operations, including evenings and weekends.

Millions of Americans have found relief from pain due to the benefits of chiropractic's natural, drug-free approach to healthcare. Everyone, from growing children and teen athletes to working parents and active seniors, can take advantage of regular chiropractic care.
