Watching a lot of soccer lately? Intel helps you stay in on the action. Whether

it's 2 in 1s, tablets and mobile phones, Intel has any number of options that makes sure that you won't miss a game - and in any number of sizes. [This photo](#) depicts a worker using his Asus Memo Pad 7* to catch the big game, as his co-workers can't help but look on. Visit www.intel.com to learn more!

About Intel

Intel (NASDAQ: INTC) is a world leader in computing innovation. The company designs and builds the essential technologies that serve as the foundation for the world's computing devices. As a leader in corporate responsibility and sustainability, Intel also manufactures the world's first commercially available "conflict-free" microprocessors. Additional information about Intel is available at newsroom.intel.com and blogs.intel.com and about Intel's conflict-free efforts at conflictfree.intel.com.
