Intel Manufacturing Facilities Run 365 Days a Year

Intel Images: Intel's Fab 32

SANTA CLARA, Calif.--(BUSINESS WIRE)-- Intel will join the National Association of Manufacturers on Friday, Oct. 5, 2018, to celebrate Manufacturing Day. The majority of Intel's advanced manufacturing and research and development is in the United States, creating high-precision, high-value, IP-driven products that enable industries and businesses to innovate around the world.
