FORWARD-LOOKING STATEMENTS

Statements in this release that are not strictly historical, including the statements regarding the expected future timing of any dividend payments and the Company's expectations on paying dividends at any level in the future, and any other statements identified by their use of words like "expect," or other words of similar meaning are "forward-looking" statements within the meaning of the federal securities laws. There are a number of important factors that could cause dividend payments and dividend schedule to differ materially from those suggested or indicated by such forward-looking statements and you should not place undue reliance on any such forward-looking statements. These factors include, among other things: deterioration of or instability in the economy, the markets we serve and the financial markets, contractions or lower growth rates and cyclicity of markets we serve, competition, our ability to develop and successfully market new products, software, and services and expand into new markets, the potential for improper conduct by our employees, agents or business partners, our ability to successfully identify, consummate, integrate and realize the

anticipated value of appropriate acquisitions and successfully complete divestitures and other dispositions, contingent liabilities relating to acquisitions and divestitures, our compliance with applicable laws and regulations and changes in applicable laws and regulations, risks relating to potential impairment of goodwill and other intangible assets, currency exchange rates, tax audits and changes in our tax rate and income tax liabilities, the impact of our debt obligations on our operations, litigation and other contingent liabilities including intellectual property and environmental, health and safety matters, risks relating to product, service or software defects, product liability and recalls, risks relating to product manufacturing, the impact of our debt obligations on our operations and liquidity, our relationships with and the performance of our channel partners, commodity costs and surcharges, our ability to adjust purchases and manufacturing capacity to reflect market conditions, reliance on sole sources of supply, labor matters, international economic, political, legal, compliance and business factors, adverse effects of restructuring activities, disruptions relating to man-made and natural disasters, security breaches or other disruptions of our information technology systems, impact of our separation from Danaher on our operations, impact of our indemnification obligation to Danaher, any work stoppage, and pension plan costs. Additional information regarding the factors that may cause actual results to differ materially from these forward- looking statements is available in our SEC filings, including the Information Statement furnished with the Current Report on Form 8-K filed by us on June 15, 2016. These forward-looking statements speak only as of the date of this release, and Fortive does not assume any obligation to update or revise any forward-looking statement, whether as a result of new information, future events and developments or otherwise.
