# Fortive Announces Leadership Appointments

EVERETT, Wash.--(BUSINESS WIRE)-- Fortive Corporation ("Fortive") (NYSE: FTV) announced today that both Justin McElhattan and Tami Newcombe have been promoted to Group President within Fortive.

Mr. McElhattan joined Fortive in connection with Fortive's acquisition of Industrial Scientific Corporation (ISC) in 2017, where he has served as President since 2007. As President of ISC, Mr. McElhattan has led the growth and profitability of Fortive's Environmental Health and Safety (EHS) businesses with the acquisitions of Intellex, SAFER Systems, and ehsAI, and the expansion of ISC's iNet offerings to promote the safety of both customers and the community. As Group President, Mr. McElhattan will drive the results, innovation, and growth of our EHS businesses.

Ms. Newcombe has served in a series of progressive roles, including most recently as President of Tektronix, where she leverages her deep understanding of customer workflows and her passionate commitment to the Fortive Business System (FBS) to deliver results and drive significant improvements across all aspects of Fortive's business at Tektronix. As part of her expanded responsibilities within Fortive, Ms. Newcombe will oversee Fortive's business operations in India. She will also serve as Chair of the Fortive Inclusion & Diversity (I&D) Council, demonstrating her commitment to deepening Fortive's strong and inclusive culture.

Mr. Lico stated, "Justin's leadership in our enterprise-wide, connected worker strategy has been critical to taking us beyond gas detection to accelerate our strategy in EHS. His commitment to FBS has been critical to driving results, innovation, and continuous improvement across our EHS businesses."

"Tami personifies one of our core leadership competencies, Building Extraordinary Teams, demonstrating the ability to inspire, develop, and drive engagement across our global team while accelerating innovation and growth within Tektronix," Mr. Lico added.

The appointments highlight these leaders' continued focus on shaping the strategy and investment areas for their businesses, championing the Fortive Business System (FBS) to drive strong operating results and foster a growth mindset, while building extraordinary teams by recruiting and developing exceptional talent.

Fortive will be holding an [Investor Conference](#) on May 19<sup>th</sup> where they will highlight key segment growth strategies, the way they are expanding the impact from FBS across the portfolio, and their commitment to sustainability. Learn more [here](#).
