Huntsman Sells its Italian Based Automotive Aftermarket Business

THE WOODLANDS, Texas, June 5, 2026 /PRNewswire/ -- Huntsman Corporation (NYSE: HUN) announced today that it has sold Huntsman Gomet, a business located in Azeglio, Italy, to Trelleborg Group for €42.5 million (approximately $50 million), subject to customary post-closing adjustments. Gomet is a manufacturer of molded rubber and thermoplastic automotive aftermarket components, which was a business within Huntsman's Polyurethanes division, and was acquired by Huntsman in 2014 as part of the Rockwood acquisition. In 2025, Gomet generated revenues of approximately €24 million. The proceeds from this transaction will be used to reduce outstanding borrowings.

Houlihan Lokey served as financial advisor and Freshfields LLP served as legal counsel to Huntsman Corporation.

About Huntsman:
Huntsman Corporation is a publicly traded global manufacturer and marketer of diversified chemical products with 2025 revenues of approximately $6 billion from our continuing operations. Forward-Looking Statements:
Certain information in this release constitutes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements are based on management's current beliefs and expectations. The forward-looking statements in this release are subject to uncertainty and changes in circumstances and involve risks and uncertainties that may affect the company's operations, markets, products, services, prices and other factors as discussed under the caption "Risk Factors" in the Huntsman companies' filings with the U.S. Securities and Exchange Commission. Significant risks and uncertainties may relate to, but are not limited to, volatile global economic conditions, cyclical and volatile product markets, disruptions in production at manufacturing facilities, reorganization or restructuring of Huntsman's operations, including any delay of, or other negative developments affecting the ability to implement cost reductions, timing of proposed transactions, and manufacturing optimization improvements

in Huntsman businesses and realize anticipated cost savings, and other financial, economic, competitive, environmental, political, legal, regulatory and technological factors. The company assumes no obligation to provide revisions to any forward-looking statements should circumstances change, except as otherwise required by applicable laws.
