Altice USA Announces Its Intention to Combine Its Suddenlink (Cequel) and Optimum (Cablevision) Businesses under a Single Credit Silo

NEW YORK--(BUSINESS WIRE)-- Following the initial public offering of Altice USA ("Altice USA", NYSE: ATUS) and subsequent separation from Altice Europe NV ("Altice Europe NV", Euronext: ATC ATCB), Altice USA has announced its intention to further simplify its structure and operations by combining (the "Combination") the Suddenlink (Cequel) and Optimum (Cablevision) businesses under a single credit silo. The Combination is expected to be leverage neutral for Altice USA.

The Combination will mark a significant milestone in the integration of the Suddenlink and Optimum businesses and align Altice USA's debt capital structure with the way Altice USA is managed: as a unified company with a common strategy. The Combination will result in a more diversified credit silo which is expected to simplify Altice USA's financing strategy and financial reporting requirements. The Combination is expected to be effected mainly by the following transactions:

- Exchange of existing Cequel senior secured and senior notes (the "Original Notes") into new Cequel senior secured and senior notes (the "New Notes") issued by the same issuers, which will automatically convert into new senior guaranteed and senior notes (the "New CSC Notes") of CSC Holdings, LLC upon satisfaction of certain conditions, including the consummation of the Combination
- Refinancing of existing Cequel Credit Facility with proceeds of a new Term Loan at CSC Holdings, LLC

The closing of the Combination is subject to regulatory filings and approvals and other customary conditions, and Altice USA may decide not to proceed with the Combination at any time prior to its consummation.

Exchange offer and Consent Solicitation:

Altice USA announced today that its subsidiaries, Altice US Finance I Corporation, Cequel Communications Holdings I, LLC and Cequel Capital Corporation (the "Issuers"), have commenced offers to exchange (each an "Exchange Offer" and collectively, the "Exchange Offers") any and all outstanding Original Notes issued by them as set forth in the table below for up to \$5,520,000,000 aggregate principal amount of New Notes and, in the case of the 5.375% Secured Notes due 2023 and 5.500% Secured Notes due 2026, cash. (1) For each \$1,000 principal amount of Original Notes accepted for exchange.

(2) Includes \$50 of principal amount of New Notes as the early participation premium, and where applicable, at least \$2.50 as the cash incentive. Any eligible holder who properly tenders after the Early Tender Time (as defined below) will only be entitled to receive the applicable New Notes Consideration and will not receive the early participation premium or, where applicable, the cash incentive.

(3) Automatic conversion will be on a dollar-for-dollar of principal basis, subject to conditions (including the consummation of the Combination) as further described in the exchange offering memorandum.

(4) Represents aggregate cash incentive of \$2,750,000, payable on a *pro rata* basis to eligible participating holders of the 5.375% Secured Notes due 2023 who properly tender (and do not validly withdraw) prior to the Early Tender Time.

(5) Represents aggregate cash incentive of \$3,750,000, payable on a *pro rata* basis to eligible participating holders of the 5.500% Secured Notes due 2026 who properly tender (and do not validly withdraw) prior to the Early Tender Time.

Following the closing of the Exchange Offers and prior to satisfaction (or waiver) of each of

the conditions to the conversion, including consummation of the Combination, the New Notes will have substantially the same terms as the applicable series of Original Notes in that each series, will bear interest at the same rate, will have the same maturity and will be governed by covenants that are substantially the same as the covenants currently governing the applicable series of Original Notes. Upon satisfaction (or waiver) of each of the conditions to the conversion, including consummation of the Combination, the New Notes will automatically be converted into New CSC Notes. The New CSC Notes will have the same principal amount, will bear interest at the same rate and will have the same maturity as the applicable series of New Notes, and will be governed by covenants that are substantially the same as the covenants that govern certain existing notes issued by CSC Holdings, LLC, as set forth in the exchange offering memorandum.

Additionally, in connection with the Exchange Offers, the Issuers will solicit consents to amend each of the Original Notes, except the 5.125% Notes due 2021, and the indentures governing such notes. The proposed amendments, which require the consent of a majority in outstanding aggregate principal amount of each series of relevant Original Notes, respectively, will eliminate or waive substantially all of the restrictive covenants, eliminate certain events of default, and modify or eliminate certain other provisions. Each of the Exchange Offers is subject to the condition that there have been validly tendered and not validly withdrawn a majority of the outstanding aggregate principal amount of each of the 5.375% Secured Notes due 2023 and 5.500% Secured Notes due 2026 (the "Minimum Tender Condition"). Eligible holders may not deliver consents without tendering their related Original Notes and eligible holders may not tender their Original Notes without delivering consents, if applicable, with respect to such Original Notes.

The Exchange Offers and Consent Solicitations are being made pursuant to the terms and subject to the conditions set forth in the offering memorandum and consent solicitation statement dated October 2, 2018. Eligible holder should carefully read the offering memorandum and consent solicitation statement (and the documents incorporated by reference therein) and consult their own accounting, financial, tax and legal advisers regarding the suitability of participating (or not) in the Exchange Offers and Consent Solicitations. Eligible holders who validly tender and do not validly withdraw Original Notes prior to 5:00 pm, New York City time, on October 16, 2018 (such date and time, as it may be extended, the "Early Tender Time"), will receive the applicable New Notes Total Consideration, as displayed in the table above, for Original Notes accepted in the applicable offer. "New Notes Total Consideration" means, for each \$1,000 principal amount of Original Notes tendered and accepted by the applicable Issuer, \$1,000 principal amount of New Notes, plus, in the case of the 5.375% Secured Notes due 2023 and 5.500% Secured Notes due 2026, at least \$2.50 in cash. Eligible holders who validly tender Original Notes after the Early Tender Time, but prior to 11:59pm, New York City time, on October 30, 2018 (such date and time, as it may be extended, the "Expiration Time") will receive the New Notes Consideration for Original Notes accepted in the applicable offer. "New Notes Consideration" means, for each \$1,000 principal amount of Original Notes tendered and accepted by the applicable Issuer, \$950 principal amount of New Notes.

Upon the terms and subject to the conditions of the applicable offer (which do not include the consummation of the Combination), the first settlement date for any offer will occur promptly following the later of (i) the Early Tender Time and (ii) the date the Minimum Tender Condition is satisfied and the second settlement date for any offer will occur promptly

following the Expiration Time. The Issuers will not pay accrued and unpaid interest on the Original Notes exchanged for New Notes on the applicable settlement date; interest on the New Notes will accrue from the last payment date on the applicable series of Original Notes.

Documents relating to the Exchange Offers and Consent Solicitations will only be distributed to eligible holders of Original Notes who certify that they are either a "qualified institutional buyer" under Rule 144A or not a "U.S. person" and outside the United States under Regulation S for purposes of applicable securities laws.
