CLS Holdings USA, Inc. Branded Division Preps for New Product Rollouts in February

LAS VEGAS, NV / ACCESSWIRE / January 7, 2021 CLS Holdings USA, Inc. (OTCQB:CLSH)(CSE:CLSH) ("CLS" or the "Company"), a diversified cannabis company operating as Cannabis Life Sciences, today announced the development of a new range of offerings from its branded products division, City Trees. New products include five new blends of cannabis distillate, each available in five product formats. These products are expected to become available in February 2021, and are preceded by the release of two new live resin concentrate products in January.

The release of these five new distillate blends, developed over the course of the previous quarter, is the result of significant research and development involving analysis of state-wide market trends and collection of focus group data. The new blends include a variety of custom creations and adaptations of well known cannabis strains, and will be released as Mango Haze, GMO, Cherry Cola, Gasolina, and LV Confidential. Each blend will be available on wholesale menus beginning in February in full and half gram vape cartridges, disposable vape pens, and full and half gram distillate refill syringes. The addition of these strains to City Trees' menus brings its total vape category offerings to 14 unique distillate blends.

Preceding the release of these new blends are two new live resin concentrate products, with two products in the concentrate category and one live resin vape cartridge. These products are the latest in City Trees' rotating seasonal concentrate menu, which is focused on providing fresh live resin products of the highest quality in limited batches.

About CLS Holdings USA, Inc.

CLS Holdings USA, Inc. (CLSH) is a diversified cannabis company that acts as an integrated cannabis producer and retailer through its Oasis Cannabis subsidiaries in Nevada and plans to expand to other states. CLS stands for "Cannabis Life Sciences," in recognition of the Company's patented proprietary method of extracting various cannabinoids from the marijuana plant and converting them into products with a higher level of quality and

consistency. The Company's business model includes licensing operations, processing operations, processing facilities, sale of products, brand creation and consulting services. <https://www.clsholdingsinc.com/>

CITYTREES

Founded in 2017, City Trees is a Nevada-based cannabis cultivation, production and distribution company. Offering a wide variety of products with consistent results, City Trees products are available in numerous dispensaries throughout the state of Nevada. <https://citytrees.com>

Forward Looking Statements

This press release contains certain "forward-looking information" within the meaning of

applicable Canadian securities legislation and "forward-looking statements" as that term is defined in the Private Securities Litigation Reform Act of 1995 (collectively, the "forward-looking statements"). These statements relate to, among other things, the impact of the COVID-19 virus on our business, the results of our initiatives to retain our employees and strengthen our relationships with our customers and community during the pandemic, the effect of our initiatives to expand market share and achieve growth during and following the pandemic, results of operations and financial performance, anticipated future events, and the effectiveness of our business practices during the pandemic. The continued spread of COVID-19 could have, and in some cases already has had, an adverse impact on our business, operations and financial results, including through disruptions in our cultivation and processing activities, supply chains and sales channels, and retail dispensary operations as well as a deterioration of general economic conditions including a possible national or global recession. Due to the speed with which the COVID-19 situation is developing and the uncertainty of its magnitude, outcome and duration, it is not possible to estimate its impact on our business, operations or financial results; however, the impact could be material. In some cases, you can identify forward looking statements by terminology such as "may," "might," "will," "should," "intends," "expects," "plans," "goals," "projects," "anticipates," "believes," "estimates," "predicts," "potential," or "continue" or the negative of these terms or other comparable terminology. These forward-looking statements are only predictions, are uncertain and involve substantial known and unknown risks, uncertainties and other factors which may cause our actual results, levels of activity or performance to be materially different from any future results, levels of activity or performance expressed or implied by these forward-looking statements. We cannot guarantee future results, levels of activity or performance. You should not place undue reliance on these forward-looking statements, which speak only as of the date that they were made. These cautionary statements should be considered together with any written or oral forward-looking statements that we may issue in the future. Except as required by applicable law, we do not intend to update any of the forward-looking statements to conform these statements to reflect actual results, later events or circumstances or to reflect the occurrence of unanticipated events. See CLS Holdings USA filings with the SEC and on its SEDAR profile at www.sedar.com for additional details.
