TXO Partners Declares a Second Quarter 2024 Distribution of \$0.57 on Common Units; Files Quarterly Report on Form 10-Q

FORT WORTH, Texas--(BUSINESS WIRE)-- TXO Partners, L.P. (NYSE: TXO) announced today that the Board of Directors of its general partner declared a distribution of \$0.57 per common unit for the quarter ended June 30, 2024. The quarterly distribution will be paid on August 27, 2024, to eligible unitholders of record as of the close of trading on August 20, 2024.

"Our financial focus for the unit holders is stewardship of capital—in our allocation to producing assets, in our strong balance sheet, and critically, in our distribution of cash flow," stated Bob R. Simpson, Chairman and CEO. "As our investors enjoy quarterly cash returns, we will focus on accretive value creation. For the second quarter of 2024, we are proud to announce \$.57 per unit will be delivered to our investors."

"Our re-entry into the Greater Williston Basin affirms our successful strategy of allocating capital with our production and distribution model," further commented President of Business Operations and CFO, Brent Clum. "We remain on track to close our transactions by the end of August and look forward to the fourth quarter for the full impact on our production and cash flows."

Quarterly Report on Form 10-Q

TXO's financial statements and related footnotes will be available in the Quarterly Report on Form 10-Q for the quarter ended June 30, 2024, which TXO will file with the Securities and Exchange Commission (SEC) today. The 10-Q will be available on TXO's Investor Relations website at www.txopartners.com/investors or on the SEC's website at www.sec.gov.

Non-U.S. Withholding Information

This press release is intended to be a qualified notice under Treasury Regulations Section 1.1446-4(b). Brokers and nominees should treat one hundred percent (100%) of TXO's distribution to foreign unitholders as being attributable to income that is effectively connected with a United States trade or business. Accordingly, TXO's distributions to foreign

unitholders are subject to federal income tax withholding at the highest applicable effective tax rate. For purposes of Treasury Regulations Section 1.1446(f)-4(c)(2)(iii), brokers and nominees should treat one hundred percent (100%) of the distributions as being in excess of cumulative net income for purposes of determining the amount to withhold. Nominees, and not TXO, are treated as withholding agents responsible for any necessary withholding on amounts received by them on behalf of foreign unitholders.

About TXO Partners, L.P.

TXO Partners, L.P. is a master limited partnership focused on the acquisition, development, optimization and exploitation of conventional oil, natural gas, and natural gas liquid reserves in North America. TXO's current acreage positions are concentrated in the Permian Basin of West Texas and New Mexico and the San Juan Basin of New Mexico and Colorado.

Cautionary Statement Concerning Forward-Looking Statements

Certain statements contained in this press release constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include the words such as "may," "assume," "forecast," "could," "should," "will," "plan," "believe," "anticipate," "intend," "estimate," "expect," "project," "budget" and similar expressions, although not all forward-looking statements contain such identifying words. These forward-looking statements include our ability to manage our cashflow, our ability to execute our strategy, the timing, amount and area of focus of future investments in our assets, our ability to close the pending asset acquisition and the impact of such acquisition on our operating and financial results, and the impacts of future commodity price changes. These forward-looking statements are based on management's current belief, based on currently available information, as to the outcome and timing of future events at the time such statement was made, and it is possible that the results described in this press release will not be achieved. Our assumptions and future performance are subject to a wide range of business risks, uncertainties and factors, including, without limitation, the following: our ability to meet distribution expectations and projections; the volatility of oil, natural gas and NGL prices; our ability to safely and efficiently operate TXO's assets; our ability to integrate the acquired assets and realize the benefits of the acquisition; uncertainties about our estimated oil, natural gas and NGL reserves, including the impact of commodity price declines on the economic producibility of such reserves, and in projecting future rates of production; and the risks and other factors disclosed in TXO's filings with the SEC, including its Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K.

Any forward-looking statement speaks only as of the date on which it is made, and, except as required by law, TXO does not undertake any obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise. New factors emerge from time to time, and it is not possible for TXO to predict all such factors.
