Event Details: Amprius CEO Tom Stepien and CFO Ricardo Rodriguez will meet with investors one-on-one at the event. If you are interested in scheduling a time to meet with management, please contact your H.C. Wainwright representative.

DroneX Trade Show & Conference 2026
Date: September 29-30, 2026
Location: ExCeL; London, UK
Event Details: Amprius will exhibit at booth U638. Amprius Chief Business Officer, Ronnie Tao, will also present in the Commercial Theatre in a 25-minute session titled “Extending Commercial Drone Range with Field-Proven Silicon Anode Batteries.” If you are interested in

scheduling a meeting with the business development team, please contact sales@amprius.com.

Evercore 9th ADAS, AV & AI Forum
Date: September 29, 2026
Location: Evercore Offices; New York, NY
Event Details: Amprius CFO Ricardo Rodriguez will participate in the Physical AI Suppliers Panel at 8:30 a.m. Eastern time. Rodriguez will also meet with investors one-on-one at the event. If you are interested in attending the panel or scheduling a time to meet with management, please contact your Evercore representative.

About Amprius Technologies, Inc.

Amprius Technologies, Inc. is a leader in advanced lithium-ion battery technology, delivering high-energy and high-power silicon-anode batteries with up to twice the energy density, range, and flight time of conventional graphite-based cells. Headquartered in Fremont, California, Amprius operates an R&D lab and pilot manufacturing facility for silicon anodes and cells. To support scalable production, the Company employs a contract manufacturing strategy, enabling rapid capacity expansion with minimal capital investment. Committed to driving innovation in energy storage, Amprius powers next-generation applications in aerospace, defense, and mobility. For additional information, please visit amprius.com and the Company's LinkedIn page.
