Fathom to Present at the 2025 Gateway Conference on September 4th

CARY, N.C., Aug. 20, 2025 (GLOBE NEWSWIRE) -- **Fathom Holdings Inc.** (Nasdaq: FTHM) ("Fathom" or the "Company"), a national, technology-driven, end-to-end real estate services platform integrating residential brokerage, mortgage, title, and SaaS offerings for brokerages and agents, will participate in the [2025 Gateway Conference](#), which is being held September 3-4, at the Four Seasons Hotel in San Francisco, CA.

Fathom CEO Marco Fregenal is scheduled to present on Thursday, September 4, at 10:00 am Pacific Time (PT). The presentation will be webcast live and available for replay [here](#). In addition to the presentation, Fregenal will hold one-on-one meetings with investors and analysts.

Fregenal will outline Fathom's strategic roadmap, highlighting a strong second quarter with 36% year-over-year revenue growth, record transaction volumes, and a 23% increase in agent count. He will also highlight the company's return to adjusted EBITDA profitability, rapid adoption of the Elevate program, and its first licensing agreement for the intelliAgent platform with Sovereign Realty Partners under the Fathom Elite brand. These achievements, coupled with ongoing agent expansion and platform innovation, position Fathom for sustained growth and increased market share.

For additional information or to schedule a one-on-one meeting with Fathom, please contact the Gateway team at FTHM@gateway-grp.com.

Forward Looking Statements

This release contains "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements can be generally identified by phrases such as "thinks," "anticipates," "believes," "estimates," "expects," "intends," "plans," and similar words. Forward-looking statements in our press releases include statements about our projected financial and operating performance, our acquisition program, our strategy and prospects, and our opportunities for organic growth and synergies. Forward-looking statements are not guarantees of future performance and are inherently subject to uncertainties and other factors which could cause actual results to differ materially from the forward-looking statement. Such statements are based upon, among other things, assumptions made by, and information currently available to, management, including management's own knowledge and assessment of the

company's industry, R&D initiatives, competition and capital requirements. Other factors and uncertainties that could affect the company's forward-looking statements include, among other things, the following: our success in predicting new markets and the acceptance of our new products; efficient management of our infrastructure; the pace of technological developments and industry standards evolution and their effect on our target product and market choices; the effect of outsourcing technology development; changes in the ordering patterns of our customers; a decrease in the quality and/or reliability of our products; protection of our proprietary intellectual property; competition by alternative sophisticated as well as generic products; continued availability of raw materials for our products at competitive prices; disruptions in our manufacturing facilities; risks of international sales and operations including fluctuations in exchange rates and tariffs; compliance with regulatory requirements applicable to our manufacturing operations; and customer concentrations. Additional factors that could cause actual results to differ materially from those anticipated by our forward-looking statements are described under the captions "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our most recent Annual Report (Form 10-K) or Quarterly Report (Form 10-Q) filed with the Securities and Exchange Commission. Forward-looking statements are made as of the date of the respective release, and we expressly disclaim any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
