### **Forward-Looking Statements**

This press release of Guild Holdings Company (the "Company") contains forward-looking statements that are subject to substantial risks and uncertainties. All statements, other than statements of historical fact, contained in this press release are forward-looking statements. These statements are often, but not always, made through the use of words or phrases such as "may," "should," "could," "predict," "potential," "believe," "will likely result," "expect," "continue," "will," "anticipate," "seek," "estimate," "intend," "plan," "projection," "would" and "outlook," or the negative version of those words or other comparable words or phrases of a future or forward-looking nature.

Forward-looking statements are based on the Company's current expectations and are subject to inherent uncertainties, risks and assumptions that are difficult to predict. Further, certain forward-looking statements are based on assumptions as to future events that may not prove to be accurate. Important factors that could cause the Company's actual results to

differ materially from those expressed in or implied by forward-looking statements include, but are not limited to, the following: the expected timing and likelihood of completion of the pending merger transaction; the timing, receipt and terms and conditions of any required governmental approvals of the pending transaction that may impose materially burdensome or adverse regulatory conditions, delay the transaction or cause the parties to abandon the transaction; potential legal proceedings that may be instituted against the Company following announcement of the transaction; the occurrence of any event, change or other circumstances that could give rise to the termination of the merger agreement; the risk that the parties may not be able to satisfy the conditions to the pending transaction in a timely manner or at all; risks related to disruption of management time from ongoing business operations due to the proposed transaction; the risk that any announcements relating to the pending transaction could have adverse effects on the market price of the Company's common stock; and the risk that the proposed transaction and its announcement could have an adverse effect on the ability of the Company to retain and hire key personnel and maintain relationships with its customers, agents or business counterparties, and on its operating results and businesses generally; significant changes to the size, structure, powers, and operations of the federal government and uncertainties regarding the potential for future changes, could cause disruptions to the regulatory environment in which we operate and could adversely impact our business and results of operations; changes in economic conditions, including as a result of macroeconomic policy changes by the U.S. government, may adversely impact our business, financial condition and results of operations; any disruptions in the secondary home loan market and their effects on our ability to sell the loans that we originate at attractive pricing; any changes in macroeconomic and U.S. residential real estate market conditions; any changes in certain U.S. government-sponsored entities and government agencies, and any organizational or pricing changes in these entities, their guidelines or their current roles; any changes in prevailing interest rates or U.S. monetary policies; the effects of any termination of our servicing rights; we depend on our loan funding facilities to fund mortgage loans and otherwise operate our business; the effects of our existing and future indebtedness on our liquidity and our ability to operate our business; any disruption in the technology that supports our origination and servicing platform; our failure to identify, develop and integrate acquisitions of other companies or technologies; pressure from existing and new competitors; any failure to maintain or grow our historical referral relationships with our referral partners; any delays in recovering service advances; any failure to adapt to and implement technological changes; any cybersecurity breaches or other vulnerability involving our computer systems or those of certain of our third-party service providers; our inability to secure additional capital, if needed, to operate and grow our business; the impact of operational risks, including employee or consumer fraud, the obligation to repurchase sold loans in the event of a documentation error, and data processing system failures and errors; any repurchase or indemnification obligations caused by the failure of the loans that we originate to meet certain criteria or characteristics; the seasonality of the mortgage origination industry; any non-compliance with or substantial changes to the complex laws and regulations governing our mortgage loan origination and servicing activities; material changes to the laws, regulations or practices applicable to reverse mortgage programs; our control by, and any conflicts of interest with, McCarthy Capital Mortgage Investors, LLC; our dependence, as a holding company, upon distributions from Guild Mortgage Company LLC to meet our obligations; ability to attract, retain and hire key personnel and maintain relationships with others with whom Guild does business; and the other risks set forth under Item 1A. Risk Factors in the Company's Annual Report on Form 10-K for the year ended December 31, 2024 and the Company's Quarterly Report on

Form 10-Q for the quarter ended March 31, 2025, as well as other filings the Company may make from time to time with the Securities and Exchange Commission. You should not place undue reliance on any such forward-looking statements. Unless indicated otherwise, the terms “Guild,” and “Company” each refer collectively to the Company and its subsidiaries.

Any forward-looking statement speaks only as of the date on which it is made, and, except as otherwise required by law, the Company undertakes no obligation to update any forward-looking statement made in this press release.
