Inpixon Schedules Business Update Conference Call and Presentation by Damon Motors Management

PALO ALTO, Calif., Nov. 6, 2023 /PRNewswire/ -- Inpixon® (NASDAQ:INPX) today announced that it will host a conference call presentation at 4:30 p.m. Eastern Time on Tuesday, November 14, 2023 to provide a business update as well as a presentation by the management of Damon Motors Inc. ("Damon") following the recently announced planned spin-off of Inpixon's wholly owned subsidiary, Inpixon Ltd., and its merger with Damon. Inpixon plans to release its financial results for the third quarter of 2023 after market close the same day.

Interested parties may access the conference call presentation at https://www.webcaster4.com/Webcast/Page/2235/49432 or at the link on Inpixon's Investor Relations section of the website, ir.inpixon.com/ir-news-events/ir-calendar. A webcast replay will be available on Inpixon's Investor Relations section of the website (ir.inpixon.com/ir-news-events/ir-calendar).

Shareholders and other interested parties are invited to submit questions prior to the beginning of the call via email to inpx@crescendo-ir.com.

About Damon Motors

Damon Motors is a global technology leader disrupting urban mobility, led by entrepreneurs and executives from world-class EV and technology companies. With its offices in San Rafael, California and headquartered in Vancouver, Canada, Damon is on a mission to cause a paradigm shift for safer, smarter motorcycling. Anchored by its proprietary electric powertrain, HyperDrive™, Damon has captured the attention of the motorcycling world by delivering 200 hp, a top speed of 200 mph, 200 miles of range, innovative design, and new safety features, including CoPilot™ and Shift™, which are attracting an entirely new generation of motorcycle riders. With strong consumer interest in the US and abroad, Damon aims to set a new standard for motorcycle safety and sustainability worldwide. For more information on how Damon technology is defining the new industry standard, please visit damon.com.

About Inpixon

Inpixon® (Nasdaq: INPX) is the innovator of Indoor Intelligence®, delivering actionable insights for people, places, and things. Combining the power of mapping, positioning, and analytics, Inpixon helps to create smarter, safer, and more secure environments. The company's Indoor Intelligence and industrial real-time location system (RTLS) technology are leveraged by a multitude of industries to optimize operations, increase productivity, and enhance safety. Inpixon customers can take advantage of industry-leading location awareness, analytics, sensor fusion, IIoT and the IoT to create exceptional experiences and to do good with indoor data. Safe Harbor Statement

All statements in this release that are not based on historical fact are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and the provisions of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. While management has based any forward-looking statements included in this release on its current expectations, the information on which such expectations were based may change. These forward-looking statements rely on a number of assumptions concerning future events and are subject to a number of risks, uncertainties and other factors, many of which are outside of the control of Inpixon and its subsidiaries, which could cause actual results to materially differ from such statements. Such risks, uncertainties, and other factors include, but are not limited to, the consummation of the business combination with Damon and any other contemplated transactions of Inpixon, the fluctuation of economic conditions, global conflicts, inflation and other global events on Inpixon's results of operations and global supply chain constraints, Inpixon's ability to integrate the products and business from acquisitions into its existing business, the performance of management and employees, the regulatory landscape as it relates to privacy regulations and their applicability to Inpixon's technology, Inpixon's ability to maintain compliance with Nasdaq's continued listing requirements, the ability to obtain financing if needed, competition, general economic conditions and other factors that are detailed in Inpixon's periodic and current reports available for review at sec.gov. Furthermore, Inpixon operates in a highly competitive and rapidly changing environment where new and unanticipated risks may arise. Accordingly, investors should not place any reliance on forward-looking statements as a prediction of actual results. Inpixon disclaims any intention to, and undertakes no obligation to, update or revise forward-looking statements.
