The Company reports its Professional Employer Organization services ("PEO") revenues on a net basis because it is not the primary obligor for the services provided by the Company's PEO clients to their customers. The gross revenues and cost of revenues information below, although not in accordance with generally accepted accounting principles ("GAAP"), is presented for comparison purposes and because management believes such information is more informative as to the level of the Company's business activity and more useful in managing its operations.

Outlook for Second Quarter 2009

The Company also disclosed today limited financial guidance with respect to its operating results for the second quarter ending June 30, 2009. The Company expects gross revenues for the second quarter of 2009 to range from \$235 million to \$240 million, as compared to \$269.5 million for the second quarter of 2008, and anticipates diluted earnings per share for the second quarter of 2009 to range from a loss of \$.03 per share to earnings of \$.03 per share, as compared to diluted earnings per share of \$.29 for the same period a year ago. A reconciliation of estimated gross revenues to estimated GAAP net revenues for the second quarter of 2009 is not included because PEO revenues and cost of PEO revenues for the period are not reasonably estimable.
