## Main Street Capital Announces Two New Investments

### Main Street With Over \$40 Million of Cash Liquidity

HOUSTON, Oct. 21 /PRNewswire-FirstCall/ -- Main Street Capital Corporation (Nasdaq: MAIN) ("Main Street") announced today that it has completed two new portfolio investments. Main Street's new portfolio investments include a \$2.0 million investment in Schneider Sales Management, LLC ("Schneider") to support a management buyout transaction and a \$1.8 million investment in California Healthcare Medical Billing, Inc. ("CHMB") for growth financing purposes. Subsequent to these new investments, Main Street has over \$40 million of available cash liquidity, which is expected to provide sufficient funding for its new investment and operational activities for the foreseeable future.

Main Street's investment in Schneider consists of a \$2.0 million first lien, secured debt investment with equity warrant participation representing approximately 12% of the fully diluted equity interests in Schneider. Schneider is a leading publisher of proprietary sales development materials and provider of sales-management consulting services for financial institutions. Schneider's products and services enable its clients to achieve higher levels of profitability, customer satisfaction, and sales via proven methodologies developed over its 25-year history in serving financial institutions.

Main Street's investment in CHMB consists of a \$1.4 million first lien, secured debt investment with equity warrant participation, and a \$0.4 million equity investment. Through its equity warrant participation and direct equity investment, Main Street owns approximately 18% of the fully diluted equity interests in CHMB. Main Street has also provided CHMB with a \$0.6 million first lien, secured revolving loan to support CHMB's continuing growth. CHMB provides outsourced medical billing, revenue cycle management, and administrative healthcare support to physician practices, clinics and multi- specialty groups. Through its superior customer service and leading technology platform, CHMB helps physicians improve their revenue cycle, reduce administrative errors, and offer their patients an improved quality of care.
