**HOUSTON – April 14, 2016** – Main Street Capital Corporation (NYSE: MAIN) (“Main Street”) is pleased to announce that Safety Holdings, Inc., doing business as SambaSafety® (“SambaSafety”), recently entered into a definitive agreement with a private equity group to complete a majority recapitalization of SambaSafety. This transaction will result in the repayment of Main Street’s debt investment and the exit of Main Street’s equity investment in SambaSafety.

SambaSafety’s innovative Software as a Service (“SaaS”) solutions provide driver risk technology and information to employers, insurance, background screeners and fleet management companies. This enables companies with commercial and non-commercial fleets to easily identify and address unsafe driving behavior and take the appropriate actions necessary to maintain the safety of drivers, passengers and the communities in which they live and work. Additionally, SambaSafety solutions provide the insights insurance carriers need to accurately price risk throughout the insurance policy lifecycle.

The transaction is expected to result in a value received by Main Street that is consistent with Main Street’s most recent fair market values for Main Street’s investments in SambaSafety, as disclosed in its most recent public filings.
