## Main Street Announces Increase in Commitments Under its Credit Facility to \$585 Million

HOUSTON, Sept. 27, 2017 /PRNewswire/ -- Main Street Capital Corporation (NYSE: MAIN) ("Main Street") is pleased to announce the expansion of total commitments under its credit facility (the "Credit Facility") from \$560.0 million to \$585.0 million. The \$25.0 million increase in total commitments was the result of the addition of a new lender relationship, which further diversifies the Main Street lending group under the Credit Facility to a total of fifteen participants. The recent increase in total commitments was executed under the accordion feature of the Credit Facility which allows for an increase in total commitments under the facility up to \$750.0 million from new and existing lenders on the same terms and conditions as the existing commitments. The recent increase in total commitments under the Credit Facility provides Main Street with access to additional financing capacity in support of its future investment and operational activities.
