Main Street Closes Public Offering of Common Stock

Underwriters Fully Exercise Option to Purchase Additional Shares

HOUSTON, Aug. 15, 2022 /PRNewswire/ -- Main Street Capital Corporation (NYSE: MAIN) ("Main Street") is pleased to announce that it closed the previously announced underwritten offering of 1,170,000 shares of its common stock at a public offering price of \$42.85 per share. In addition, the underwriters fully exercised their option to purchase 175,500 additional shares. Including the exercise of the underwriters' option, the total number of shares sold in the offering was 1,345,500. Net proceeds to Main Street from the offering, including exercise of the underwriters' option to purchase additional shares and after deducting underwriting discounts and estimated offering expenses payable by Main Street, were approximately \$55.1 million.

Main Street intends to use all of the net proceeds from this offering to initially repay outstanding debt borrowed under its credit facility and then, through re-borrowing under the credit facility, to make investments in accordance with its investment objective and strategies, to make investments in marketable securities and idle funds investments, to pay operating expenses and other cash obligations, and for general corporate purposes.

The underwriters of this offering were RBC Capital Markets, UBS Investment Bank and Wells Fargo Securities (as joint bookrunners) and Hovde Group, LLC and Oppenheimer & Co. (as co-managers). The shares were sold pursuant to an effective shelf registration statement on Form N-2 that has been filed with, and has been declared effective by, the U.S. Securities and Exchange Commission (the "SEC").

This press release does not constitute an offer to sell or a solicitation of an offer to buy the shares referred to in this press release.

ABOUT MAIN STREET CAPITAL CORPORATION

Main Street (www.mainstcapital.com) is a principal investment firm that primarily provides long-term debt and equity capital to lower middle market companies and debt capital to middle market companies. Main Street's portfolio investments are typically made to support management buyouts, recapitalizations, growth financings, refinancings and acquisitions of companies that operate in diverse industry sectors. Main Street seeks to partner with entrepreneurs, business owners and management teams and generally provides "one stop" financing alternatives within its lower middle market investment strategy. Main Street's lower middle market companies generally have annual revenues between \$10 million and \$150 million. Main Street's private loan and middle market debt investments are made in businesses that are generally larger in size than its lower middle market portfolio companies.

Main Street, through its wholly owned portfolio company MSC Adviser I, LLC ("MSC Adviser"), also maintains an asset management business through which it manages investments for external parties. MSC Adviser is registered as an investment adviser under the Investment Advisers Act of 1940, as amended.
