Increased commitment of \$6.1 million in a first lien senior secured incremental loan to a distributor of food products to government facilities and other food service locations.

As of September 30, 2024, Main Street's private loan portfolio included total investments at cost of approximately \$1.9 billion across 92 unique borrowers. The private loan portfolio, as a percentage of cost, included 96.0% invested in first lien debt investments and 4.0% invested in equity investments or other securities.

ABOUT MAIN STREET CAPITAL CORPORATION

Main Street (www.mainstcapital.com) is a principal investment firm that primarily provides long-term debt and equity capital to lower middle market companies and debt capital to middle market companies. Main Street's portfolio investments are typically made to support management buyouts, recapitalizations, growth financings, refinancings and acquisitions of companies that operate in diverse industry sectors. Main Street seeks to partner with entrepreneurs, business owners and management teams and generally provides "one-stop" financing alternatives within its lower middle market investment strategy. Main Street's lower middle market portfolio companies generally have annual revenues between \$10 million and \$150 million. Main Street's middle market portfolio companies are generally larger in size than its lower middle market portfolio companies.

Main Street, through its wholly owned portfolio company MSC Adviser I, LLC ("MSC Adviser"), also maintains an asset management business through which it manages investments for external parties. MSC Adviser is registered as an investment adviser under the Investment Advisers Act of 1940, as amended.
