BRUNSWICK™

Brunswick Corporation : Angler's Port Marine Wins Lowe® Boats President's Award

LAKE OF THE OZARKS, MO - Aug. 15, 2018- Angler's Port Marine of Warsaw, Missouri, is the Lowe Boats Model Year 2018 President's Award winner. Consistently ranked as one of Lowe Boats top performing dealers, Angler's Port Marine was also recognized as one of Lowe's top three performing dealers in terms of overall sales in Model Year 2018, with over \$5 million in sales. Their dedication to outstanding customer service as well as being a top performing dealer makes Angler's Port Marine a true leader in the marine industry.

The award was presented to Angler's Port President Klaus Fink during the recent Lowe dealer network event at Lake of the Ozarks, Missouri. The new line-up of 2019 Lowe models - fish boats, pontoons, hunting boats and deck boats - was introduced during meetings at the Lodge of Four Seasons resort.

Lowe President Ben Cast praised Angler's Port for dedication to excellence in service, sales and customer appreciation, and said the dealer's professionalism makes it an excellent partner to promote state-of-the-art Lowe marine products.

"Angler's Port has quickly become a formidable representative of the Lowe Boats line-up and we look forward to its continued success offering our products. They are setting a great example as a Lowe dealer, and at the same time, Lowe Boats have proven to be a popular choice for boaters throughout Missouri."

The award reflects this year's Lowe Boats theme, captured through the social media hashtag, #TeamLowe, according to Cast. The company seeks to highlight the great relationships it has built with dealer partners, many represented at the Lake of the Ozarks gathering.

"Everyone at Lowe Boats, along with our strong dealer network, is working together as a team to produce top quality boats and provide unparalleled customer service," Cast said. "The social media success of #TeamLowe is an indicator of our loyal base of customers and enthusiasts."

Angler's Port Marine is located at 13979 Highway 7 in Warsaw, Missouri. Learn more about the dealership at www.anglersportmarine.com.

About Lowe Boats

For more than 45 years, Lowe Boats has been building high-value, superior quality aluminum boats. The Lowe lineup includes bass, deep-V, utility and jon boats as well as

pontoons. Founded in 1971 and headquartered in Lebanon, Mo., the company's state-of-the-art construction methods include generously sized pontoon logs, durable full-length keels and heavy-duty cross members to support higher horsepower ratings and deliver a smoother, drier ride with remarkable stability and performance. Lowe pontoons offer features and amenities to ensure on-water success to both anglers and watersports enthusiasts. The current product line is distributed around the world by a network of exceptional dealers. For more information about Lowe heritage and passion for quality, please visit www.loweboats.com. Lowe is owned by Brunswick Corporation, the largest marine manufacturer in the world.
