Vuzix to Demonstrate its Industry-Leading Smart Glasses Solutions at Upcoming AES and AWE-EU Trade Show Conferences

ROCHESTER, N.Y., Oct. 19, 2022 /PRNewswire/ -- [Vuzix® Corporation](#) (NASDAQ: VUZI), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, is pleased to announce that the Company will be participating in two upcoming trade show conferences, AES and AWE-EU. Event dates, locations and details are as follows:

Event: The Augmented Enterprise Summit (AES)

Dates: October 18-20

Location: San Diego, CA

Registration and tickets: <https://augmentedenterprisesummit.com/>

AES, formerly known as EWTS, is the longest-running and most comprehensive event dedicated to the business and industrial applications of XR, wearables, and other emerging technologies, including AR/VR/MR, body-worn sensors, exoskeletons, digital twins, and more. AES is where enterprises go to hear best practices and other practical insights for evaluating, adopting, implementing and scaling XR in the workplace.

At this event, Vuzix will be showcasing its workhorse M400™ smart glasses, which feature voice control and an IP67 rating for use in harsh environments, via work instruction and

logistics demos that highlight various barcode scanning, photo capture and video streaming solutions, as well as displaying an extensive array of mounting options. The revolutionary smart safety glasses Vuzix Shield™ and Vuzix Blade 2™ will also be available to experience, along with Vuzix M4000™ smart glasses, demonstrating the Company's full array of versatile, ergonomic form factors. Vuzix welcomes all interested parties to stop by Booth #412 to learn more about the Company's products and see them in action.

Event: AWE-EU

Dates: October 20-21

Location: Lisbon, Portugal

Registration and tickets: <https://www.awexr.com/EU-2022>.

AWE-EU is one of the world's largest conference and expo events for professionals focused on making the world more interactive - featuring technologies such as augmented reality, wearable computing, smart glasses, gesture and sensors devices, and The Internet of Things. It features hundreds of companies leading the charge in augmented and virtual reality, wearable tech, and AI. AWE is about giving superpowers to the people and making them better at anything they do in work and life.

Along with demos for the Company's M-Series and Vuzix Blade 2 products, Vuzix will focus on how forthcoming additions, Vuzix M400C™ and Vuzix Shield smart glasses, will enable the next generation of connected workers. Highlighting its potential across retail, picking, teleprompting, work instructions and other use cases, the Vuzix team will walk guests through the latest demo and updates to Vuzix Shield. Vuzix M400C demos will highlight the device's unique, purpose-built suitability for use in high security environments or where a head worn peripheral is needed. Vuzix welcomes all interested parties to stop by Booth #108 to learn more about the Company's products and see them in action.
