Vuzix Receives Volume Follow-on Smart Glasses Order from Acuraflow to Supply Pharmaceutical Customer

ROCHESTER, N.Y., April 12, 2023 /PRNewswire/ -- [Vuzix® Corporation](#) (NASDAQ: VUZI), ("Vuzix" or, the "Company"), a leading supplier of Smart Glasses and Augmented Reality (AR) technology and products, today announced that it has received and shipped against a volume follow-on order for Vuzix smart glasses from Acuraflow, a developer and deployer of sustainable management solutions. The follow-on order was placed to primarily supply a customer in the pharmaceutical industry.

Acuraflow, established 67 years ago under the name of and doing business as Bruno Schillig, primarily serves the oil and gas, chemical, mining, utilities, automotive, pharmaceutical, and food and beverage industries. Originally focused on Argentina, the company has since expanded to the United States and Latin America.

"Acuraflow's value-added services approach has been successful at accelerating the adoption of Industry 4.0 technologies among its customers. Their latest order for Vuzix smart glasses will help one of its pharmaceutical customers improve the logistics management of their operations," said Paul Travers, President and CEO of Vuzix. "Orders like this, as well as others in our current sales pipeline, are a clear indication to us that enterprise smart glasses demand around the world is expanding across an increasing number of industry verticals, both in terms of order size and breadth."
