## Vuzix Completes Delivery to Tier-1 Aerospace and Defense Firm

ROCHESTER, N.Y., Nov. 3, 2023 /PRNewswire/ -- [Vuzix® Corporation](#) (NASDAQ: VUZI), ("Vuzix" or, the "Company"), a leading supplier of smart glasses and Augmented Reality (AR) technology and products, announced it has completed delivery against a follow-on order from a Tier-1 aerospace and defense contractors with which it has been working with. The Company expects to receive additional orders in subsequent phases with this partner.

Vuzix has delivered a customized waveguide-based optics engine that is intended to be used in head worn systems designed for aerospace applications. These customized waveguide-based engine prototypes offer a high brightness, high index waveguide design with a wide FOV (field-of-view) for a variety of field operational conditions.

"We are working closely with many of the world's leading aerospace and defense firms on projects that can provide significant deployment and thus revenue opportunities for Vuzix," said Paul Travers, President and CEO of Vuzix. "We will continue to develop and refine the waveguide and display engine technologies that these contractors need for their next-generation solutions as we move closer to final production rollouts."
