Fathom Realty Introduces New Agent Referral Program

Initiative Provides Tangible Incentives for "Spreading the Word," as Fathom Expands its Agent Network

CARY, N.C., Feb. 25, 2021 /PRNewswire/ --**Fathom Holdings Inc. (Nasdaq: FTHM)**, a holding company that primarily operates through its wholly owned subsidiary, [Fathom Realty](#), LLC, a national, cloud-based, technology-driven, residential real estate brokerage, today announced it has introduced a new and expanded agent referral program, as the company continues to grow its agent network.

 2021 AGENT REFERRAL PLAN		
AGENTS RECRUITED	STOCK GRANT AWARDED*	RECOGNITION STATUS EARNED
1 Agent	\$500	
2-5 Agents	\$1000 per agent	
6-10 Agents	\$1500 per agent	
11+ Agents	\$2000 per agent	

The new program builds off Fathom's 2020 program, giving agents \$500 in Fathom stock grants for each referred agent who joins the company. The new program encourages additional referrals, offering \$1,000 in stock grants for the second through fifth agent referral; \$1,500 for the sixth through tenth agent referral; and \$2,000 per agent for eleven referrals or more. The stock grants have three-year vesting periods.

"We want to reward our agents for their contributions to our growth, while encouraging them to help us grow even faster," said Josh Harley, Chairman and CEO of Fathom Holdings. "With positive Fathom agent reviews on sites like Glassdoor and Facebook, our

company has benefited from high referral rates.

"Referrals have represented a large percentage of our agent growth historically, and we believe this expanded program will encourage even more agents to share Fathom, its culture, and all of its benefits with others. Referrals are our greatest compliment, and we also want to say, 'thank you' as a way to express our gratitude," Harley added.

Fathom offers its agents distinct competitive advantages through its proprietary cloud-based platform-as-a-service model, IntelliAgent, which allows them to operate virtually and provides all of the major functions that they would otherwise receive from a traditional brick-and-mortar company. Fathom agents are charged a fixed fee per transaction, rather than the industry's typical large commission splits, helping them reinvest in their businesses and earn more money.

Fathom currently has more than 5,000 agents in 27 states. For more information about joining Fathom as an agent, visit www.fathomcareers.com.
