Cancer Genetics Announces Participation at the 22nd Annual Rodman & Renshaw Global Investment Conference

RUTHERFORD, N.J., Sept. 10, 2020 (GLOBE NEWSWIRE) -- [Cancer Genetics, Inc.](#) (the "Company") (Nasdaq: CGIX), a leader in drug discovery and preclinical oncology and immuno-oncology services, today announced it will present at the 22nd Annual Rodman & Renshaw Global Investment Conference sponsored by H.C. Wainwright & Co., LLC. The conference is being held virtually from September 14-16, 2020.

Event: 22nd Annual Rodman & Renshaw Global Investment Conference

Date: September 16, 2020

Time: 11:30am ET

Conference Details: www.rodmanevents.com

Cancer Genetics' management team will provide an overview of the Company's business and scientific advancements during the live presentation and will be available to participate in one-on-one virtual meetings with investors who are registered to attend the conference. Management will also be available for virtual investor meetings outside the conference.

If you are an institutional investor and would like to attend the Company's presentation, please click on the following link (www.rodmanevents.com) to register for the Rodman & Renshaw conference. Once your registration is confirmed, you will be prompted to log into the conference website and also be able to request a one-on-one meeting with the Company.

For further information about attending the Company's presentation or to book an individual appointment with Cancer Genetics' management, please contact Jennifer K. Zimmons, Ph.D., at +1 917.214.3514 or jzimmons@zimmonsic.com.

To see the full list of upcoming events where the Company intends to present or participate, please visit Cancer Genetics' web site under [Events & Presentations](#).

ABOUT CANCER GENETICS

Through its *vivoPharm* subsidiary, the Cancer Genetics offers proprietary preclinical test systems supporting clinical diagnostic offerings at early stages, valued by the pharmaceutical industry, biotechnology companies and academic research centers. The Company is focused on precision and translational medicine to drive drug discovery and novel therapies. *vivoPharm* specializes in conducting studies tailored to guide drug development, starting from compound libraries and ending with a comprehensive set of *in vitro* and *in vivo* data and reports, as needed for Investigational New Drug filings. *vivoPharm* operates in The Association for Assessment and Accreditation of Laboratory Animal Care International (AAALAC) accredited and GLP compliant audited facilities.
