The Company would like to thank Shareholders for their patience while the Company contended with replacing their predecessor auditor MNP LLP (“MNP”) mid-audit, due to health issues with its lead engagement partner. The Company would also like to commend their new auditor, Macias Gini & O’Connell LLP for their efforts in completing an exceptionally complex and challenging audit with a very tight timeline. The delay in completing the filing of the Documents was due to MNP not completing its audit procedures in advance of the filing deadline.
