

**KLA CORPORATION
QUIET PERIOD POLICY**

The Company observes a quiet period beginning when the Nasdaq Stock Market closes on the 15th day of the last month of each fiscal quarter and continuing through the date of the earnings announcement for that quarter. If the 15th day of the month falls on a weekend or Nasdaq holiday, the quiet period will start when the Nasdaq Stock Market closes on the last trading day prior to the weekend or Nasdaq holiday.

During this period, Company personnel will not comment on financial results for the period for the Company, other than through a press release, a current report on Form 8-K or another method compliant with Regulation FD. However, answers to fact-based questions not related to the Company's financial results may be answered by investor relations or other authorized personnel upon request. Company representatives may also participate in events during the period, but will note that the Company is in its quiet period and will not speak to the Company's financial results or other prospective financial results. To the extent that an event arises during a quiet period that is subject to timely disclosure, the Company will disclose the information as appropriate.
