## Orkin Establishes Franchise in Quito, Ecuador

ATLANTA, July 28, 2014 /PRNewswire/ --[Rollins Inc.](#), a global consumer services company (NYSE: ROL), announced today that the company, through its wholly-owned subsidiary Orkin, established a franchise in Quito, Ecuador.

Orkin Quito will offer commercial and residential pest control and termite services.

"We are proud to further expand Orkin's services in South America," said Tom Luczynski, Orkin group vice president of global development and franchising. "This is a great opportunity for Orkin to bring our services to a new city and country and provide customers in Quito with Orkin's customized services."

The franchise co-owners look forward to establishing the franchise operation in Quito to take advantage of the strong Orkin brand and related franchise support.

The new franchisees completed their initial training at the company's award-winning training in center in Atlanta.

### ***About Orkin, LLC***

Founded in 1901, Atlanta-based Orkin is an industry leader in essential pest control services and protection against termite damage, rodents and insects. The company operates more than 400 locations with almost 8,000 employees. Using a proprietary, three-step approach, Orkin provides customized services to approximately 1.7 million homeowners and businesses in the United States, Canada, Mexico, Europe, Central America, South America, the Middle East, the Caribbean, Asia, the Mediterranean and Africa. Orkin is committed to studying pest biology and applying scientifically proven methods. The company collaborates with the Centers for Disease Control and Prevention (CDC) and eight major universities to conduct research and help educate consumers and businesses on pest-related health threats.
